### SRI SIDDHARTHA DENTAL COLLEGE & HOSPITAL TUMKUR ORAL HEALTH AWARENESS PROGRAM THROUGH RADIO SIDDHARTHA

**Department:** Orthodontics and Dentofacial Orthopedics

**Topic:** Awareness program on malocclusion in general population

**Date & Timings:** 03/08/2023 at 11.30AM

**Presenter:** Dr. Madhusudhan V

#### **Brief Description:**

Malocclusion is a condition of having crooked teeth or an "improper bite." Malaligned teeth can happen as teeth develop or from childhood habits, such as thumb sucking or due to heredity. The most common cause is when there is tooth size and jaw discrepancy. In addition to malaligned teeth, other symptoms may include discomfort or difficulty while chewing. Also correction of malaligned teeth and various treatment facilities available in the department was highlighted. A Professor Head Dr. Madhusudhan V from our department and Mrs. Sulochana (RJ), SSIT took part in radio talk on 03/08/2023.

## REPORT ON TOBACCO AND ORAL CANCER AWARENESS PROGRAMME

ARN - SSAHE2023161

**Date- 25/09/2023**

**Place- Everest Higher Primary & PU, Heggere, Tumkur.**

On Monday, September 25, 2023, the Department of Oral Pathology and Microbiology of Sri Siddhartha Dental College and Hospital, Tumkur, held a Tobacco and Oral Cancer awareness program at Everest Higher Primary & PU, Heggere, Tumkur. About 191 students, including the teaching and non-teaching staff, attended the event, which was conducted by three department interns named MISS PREKSHA S, MISS PRIYANKA R and MR PRITAM P B. The school students and staff were given a talk in Kannada about tobacco and oral cancer awareness for a better understanding. The program's objective was to educate the villagers about the risks associated with tobacco use and how to prevent oral cancer by abstaining from tobacco usage. The link between tobacco usage and oral cancer was also discussed. The doubts raised by the students and staff about the topic were also cleared. We are grateful to the head and professors of the departments of oral pathology and microbiology for providing the opportunity and assistance needed to carry out the awareness programme.

Thanking You

Yours sincerely

## REPORT ON TOBACCO AND ORAL CANCER AWARENESS PROGRAMME

ARN - SSAHE 2023272

Date- 02/09/2023

Place-Chikonahalli GUBBI, Tumkur.

On Saturday, September 02, 2023, the Department of Oral Pathology and Microbiology of Sri Siddhartha Dental College and Hospital, Tumkur, held a Tobacco and Oral Cancer awareness program at Chikonahalli GUBBI, Tumkur. About 151 students, including the teaching and non-teaching staff, attended the event, which was conducted by three department interns named MISS MOULYA, MISS MEGHANA M and MR FAIZ. The school students and staff were given a talk in Kannada about tobacco and oral cancer awareness for a better understanding. The program's objective was to educate the villagers about the risks associated with tobacco use and how to prevent oral cancer by abstaining from tobacco usage. The link between tobacco usage and oral cancer was also discussed. The doubts raised by the students and staff about the topic were also cleared. We are grateful to the head and professors of the departments of oral pathology and microbiology for providing the opportunity and assistance needed to carry out the awareness programme.

Thanking You

Yours sincerely

On Tuesday 7th, 2023, the Department of Oral Pathology and Microbiology of Sri Siddhartha Dental College & Hospital, Tumkur, held a Tobacco and Oral Cancer Awareness Programme in Sri KN Rural High school located in Raganahalli, Chelur, Tumkur. About 158 students and 10 teaching & non teaching staff attended the event which was conducted by 4 interns namely, Ms. Arathy, Ms. Niranjana, Mr. Theerthak, Mr. Adrish. The students and staff were given a talk about tobacco and oral cancer awareness. The program's objective was to educate the students and staff about the risks associated with tobacco use, its sequelae and how to prevent oral cancer by abstaining from tobacco usage. The link between tobacco usage and oral cancer was also discussed. The doubts raised by the students about the topic were also cleared. We are grateful to the Head and Professor of the Department of Oral Pathology and Microbiology for providing the opportunity and assistance needed to carry out the awareness programme.

Thanking you.

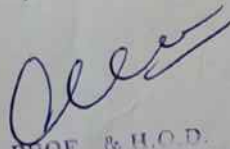

Yours sincerely,
