About our Society:

Sri Siddhartha Education Society (SSES), Tumkur was established in the year 1959 by Late Dr. H M Gangadharaiah with the blessings of Sri Acharya Vinoba Bhave. The society made a humble beginning by starting a residential school in a village near Tumkur and has grown to an academic empire. Presently the society has more than 85 educational institutions including Medical, Dental, Nursing, management and Engineering Colleges. The objective and vision of the society is to "Reach the Un reached" in the field of education. The society is managed by Dr.G.Shivaprasad (Ophthalmologist) as secretary and Dr.G.Parameshwara (Formerly Minister for Higher Education, Government of Karnataka) as Joint Secretary, the two worthy sons of Late Dr. H M Gangadharaiah.

About the Institution:

Sri Siddhartha Institute of Technology (SSIT), Tumkur, was established in the 1979 by the Sri Siddhartha Education Society (SSES). Presently the institution offers 9 UG and 8 PG courses. Courses are accredited by the National Board of Accreditation (NBA) and was granted autonomous status during 2007 by Visveswaraya Technological University - the largest technological university in the country. Subsequently the Institution was granted a "constituent college" status of Sri Siddhartha Academy of Higher Education a deemed to be University (under section 3 of UGC Act of 1956) in 2009 by MHRD. The institute is one among the 14 institutions in Karnataka, selected by the World Bank for the award of financial assistance under Technical Education Quality Improvement Program (TEQIP-I during 2005). Further as a continuation the institution has selected as one of the better performing institutions in the country (53 institutions have been recognized) for the award of grants under TEQIP-II (1.2). This project envisages the expansion of MTech programmes and need based research. This project will be from 2012-2014.

Location:

Sri Siddhartha Institute of Technology is situated in Tumkur, 70km away from Bangalore on the multi-lane national highway-4. The town is also connected by road as well as rail.

About our Department:

The Department was established in the year 1979. The Department has been progressing over the years. It has well qualified, motivated and experienced faculty. Infrastructural facilities required for running the laboratories are well established. The university results have been extremely good. The department is accredited by NBA. Department undertakes consultancy works. Faculty members of the department are the third-party inspectors for government works in Tumkur district. The department runs a PG programme M. Tech in Computer Aided Design of Structures (CAD of Structures) wherein the Design of Structures using Software is taught.

Objectives:

The main objective of the training programme is to learn the how to prepare for the competitive examinations and learn the technical skills in a more easier manner to undertake any competitive examination and perform well to reach good position in the society.

Travel and Accommodation

- No TA / DA will be paid to the participants
- Accommodation will be provided in the college hostel
- Working lunch and snacks will be provided

Important dates

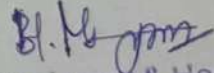

- Last date for submission of application 2nd January 2023
- The duly filled registration form / photocopy with the recommendation from head of the institution has to reach the coordinator through email on or before 7th January 2023.

Note:

- There is no registration fees for the participants
- Selection will be on 1st come first service basis

About our Society:

Sri Siddhartha Education Society (SSES), Tumkur was established in the year 1959 by Late Dr. H M Gangadharaiah with the blessings of Sri Acharya Vinoba Bhave. The society made a humble beginning by starting a residential school in a village near Tumkur and has grown to an academic empire. Presently the society has more than 85 educational institutions including Medical, Dental, Nursing, management and Engineering Colleges. The objective and vision of the society is to "Reach the Un reached" in the field of education. The society is managed by Dr.G.Shivaprasad (Ophthalmologist) as secretary and Dr.G.Parameshwara (Formerly Minister for Higher Education, Government of Karnataka) as Joint Secretary, the two worthy sons of Late Dr. H M Gangadharaiah.

About the Institution:

Sri Siddhartha Institute of Technology (SSIT), Tumkur, was established in the 1979 by the Sri Siddhartha Education Society (SSES). Presently the institution offers 9 UG and 8 PG courses. Courses are accredited by the National Board of Accreditation (NBA) and was granted autonomous status during 2007 by Visveswaraya Technological University - the largest technological university in the country. Subsequently the Institution was granted a "constituent college" status of Sri Siddhartha Academy of Higher Education a deemed to be University (under section 3 of UGC Act of 1956) in 2009 by MHRD. The institute is one among the 14 institutions in Karnataka, selected by the World Bank for the award of financial assistance under Technical Education Quality Improvement Program (TEQIP-I during 2005). Further as a continuation the institution has selected as one of the better performing institutions in the country (53 institutions have been recognized) for the award of grants under TEQIP-II (1.2). Report on Technical Talk on Career Guidance

Career guidance plays a vital role in helping individuals navigate their professional paths, especially in today's fast-paced and competitive world. Technical Talk on "Career Guidance" was organized for CSE Department students by CDAC- Bengaluru on 22/12/2023. 5th and 7th semester students have participated in the program.

CIRCULAR

ACADEMIC YEAR 2023-24 (EVEN SEM)

All the students of 2nd, 4th, 6th and 8th Semester ECE (A and B Sections) are hereby informed to attend a session on "CAREER GUIDANCE" organized by Dept. of Electronics and Communication on 26/04/2024, Friday.

Venue: Room No.106 (1st and 2nd Year)

Room No.113 (3rd and 4th Year) Scholar Building.

Timings: 10.00 AM to 1.00 PM and 2.00PM to 5.00PM

Resource Persons: Mr. Prashanth Yadav and Mr. Bharath Kashyap, Vani Institute

Report on
Career Guidance path on
"Foundations of Engineering Success: Career and Higher Education Guidance Program"

Department of Electronics and Communication Engineering, SSIT in collaboration with **Vani Institute Bangalore**, organized a **Career Guidance path on "Foundations of Engineering Success: Career and Higher Education Guidance Program"**. The event took place on 26-04-2024.

The objective of the event is to provide insights to first and second year students with a comprehensive understanding of the diverse career paths and higher education opportunities available in engineering. The program aims to equip students with the knowledge to identify their interests and strengths early in their academic journey, offering guidance on building strong technical foundations, exploring emerging technologies, and setting clear career goals. Additionally, it highlights the importance of advanced studies, competitive exams, and skill development, enabling students to make informed decisions about their future while fostering a vision for long-term professional growth. The coordination of the event was skillfully handled by the Department of ECE, with the support of **Dr. M N Eshwarappa**, Head of the Department of ECE.

Session 1: Foundations On Career Path

The session began with a highlights on the foundations of the career path, conducted by **Mr. Prashanth Yadav**. The session was designed to help first and second year students explore the wide range of career paths and higher education opportunities available in the field of engineering. By providing a comprehensive understanding of various options, the program encourages students to identify their interests and strengths early in their academic journey. It emphasizes the importance of building a solid technical foundation and staying informed about emerging technologies, enabling students to align their academic pursuits with their long-term career goals.

Session 2: Significance of Higher Studies

The session commenced with a discussion on the increasing importance of Higher Studies, conducted by **Mr. Prashanth Yadav**. The session aimed to provide students with the significance of advanced studies, competitive exams, and continuous skill development in shaping a successful engineering career. Through expert guidance and strategic planning,

students are empowered to make informed decisions about their future, whether pursuing postgraduate studies, excelling in competitive exams, or preparing for industry roles. The initiative serves as a steppingstone for students to envision and work toward a fulfilling professional journey in engineering.

CIRCULAR

ACADEMIC YEAR 2023-24 (EVEN SEM)

All the students of 2nd, 4th, 6th and 8th Semester ECE (A and B Sections) are hereby informed to attend a session on "**CAREER GUIDANCE**" organized by Dept. of Electronics and Communication on 26/04/2024, Friday.

Venue: Room No.106 (1st and 2nd Year)

Room No.113 (3rd and 4th Year) Scholar Building.

Timings: 10.00 AM to 1.00 PM and 2.00PM to 5.00PM

Resource Persons: Mr. Prashanth Yadav and Mr. Bharath Kashyap, Vani Institute
Bengaluru

Report on
Career Guidance path on
“Engineering Futures: GATE Guidance Hub” and “Engineering Services
Examination (ESE)”

Department of Electronics and Communication Engineering, SSIT in collaboration with **Vani Institute Bangalore**, organized a **Career Guidance path on “Engineering Futures: GATE Guidance Hub” and “Engineering Services Examination (ESE)”**. The event took place on 26-04-2024.

The objective of the event was to provide the guidelines to Final and Pre Final year students with comprehensive insights into two of the most significant competitive examinations for engineering graduates. The event aimed to guide participants in understanding the preparation strategies, exam patterns, and key topics essential for excelling in GATE and ESE. It also highlighted the diverse career opportunities these exams unlock, including postgraduate studies in premier institutions, placements in Public Sector Undertakings (PSUs), and prestigious roles in government services. By bridging the gap between academic learning and professional aspirations, the event equipped students with the tools and motivation to confidently pursue their career goals. The coordination of the event for all the sessions was skillfully handled by the Department of ECE, with the support of **Dr. M N Eshwarappa**, Head of the Department of ECE.

Session 1: GATE Career Navigator Program

The session began with a on growing significance of **GATE** for the Final and Pre-final year students, which was conducted by **Mr. Bharath Kashyap**. The main objective of the sessions was to create a structured platform for students to explore the vast landscape of opportunities tied to the Graduate Aptitude Test in Engineering (GATE). The session aimed to demystify the exam by providing students with a clear understanding of its structure, syllabus, and evaluation criteria. Participants were introduced to proven preparation strategies, time management techniques, and essential study resources to help them build a focused and effective study plan. Additionally, the session emphasized the importance of consistent practice, mock tests, and self-assessment in achieving success, offering students a roadmap to approach the exam with confidence.

Beyond preparation strategies, the session also shed light on the diverse career opportunities and learning prospects that GATE unlocks. Students were made aware of the pathways to prestigious postgraduate programs in leading institutions like IITs and NITs, as well

as lucrative job placements in Public Sector Undertakings (PSUs). The session also highlighted opportunities for research, scholarships, and international education, encouraging students to see GATE not just as an exam but as a gateway to an enriching and fulfilling career in engineering and technology. This holistic approach equipped participants with both the knowledge and the inspiration needed to shape their future aspirations.

Session 2: Engineering Services Examination (ESE)

The session began with a highlights on the **Engineering Services Examination (ESE)**, which was conducted by **Mr. Bharath Kashyap**. The session aimed to provide students with a comprehensive understanding of the ESE, including its exam pattern, syllabus, and the preparation strategies required to excel. It highlighted the importance of ESE as a gateway to prestigious roles in government engineering services, offering opportunities to work on critical projects in sectors like railways, defense, and public works. Experts shared insights on time management, resource selection, and effective study techniques, inspiring students to approach the examination with clarity and confidence. The session served as a valuable platform to bridge the gap between academic knowledge and career aspirations in government engineering services.

Vinay T J

Mphasis,

Bangalore.

Sir,

Sub: Letter of Invitation for a talk on "Communication Skills and Toast Master"-reg.

We would like to inform you that we are organizing a talk on "Communication Skills and Toast Master" to help our Electronics and Telecommunication students, and the students will be very much grateful to you if you join this event to make our effort more fruitful.

The event is scheduled on 13th December 2023 from 3:00 PM to 5:00 PM at Scholar building LH-201.

We hope that your guidance will help the students to reach their goals.

We are eagerly waiting for your positive response.

**Report of "Info Talk " on
"Orientation for Public Competitive Exams" conducted on
(ARN : SSAHE2023616)
20th March 2024**

SSIT IEEE WIE SB has conducted an informative talk on "Orientation for Public Competitive Exams " on 20-03-2024. The main objective of this talk was to bring the awareness in the students about the various GATE (Graduate Aptitude Test in Engineering), CSIR-UGC NET (National Eligibility Test), UPSC ESE (Engineering Services Examination), SSC JE (Junior Engineer) etc

The inauguration of the talk was done by Dr M S Ravipraksha, Principal , SSIT, Dr. Renuka Latha , Academic dean, HOD, department of CSE, Dr M N Eshwarappa, branch counselor, HOD, Department of ECE,SSIT, Dr. Savita D Torvi, branch mentor, Professor, Department of ETE,SSIT. The resource speaker was Mr. Tulasi das, director , tulasi das and raj co, Bangalore addressed the students. Dr. Sharada Guptha M N, faculty advisor, and the students execom team members and all the faculty execom team of various departments were present in the event.

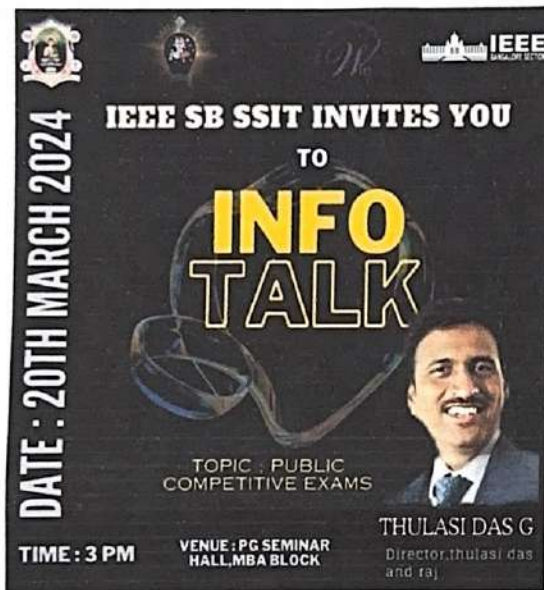

The main points covered in this talk were:

1. The concept of competitive exams and the various career paths they can lead to, such as engineering services (IES/PSU), engineering defense services (IES/PSU), scientific research organizations (CSIR/DRDO/ISRO) etc.
2. The eligibility criteria for taking the exams.
3. The exam structure and syllabus.
4. Resources and strategies for effective preparation
5. Time management techniques for effective study scheduling.
6. Identifying and utilizing relevant study resources (textbooks, previous year papers, online resources, coaching institutes etc.).
7. Techniques for effective learning (active reading, practicing solving problems, mock tests etc.).
8. Tips for managing stress and anxiety before and during the exam.
9. Time management strategies for attempting the exam within the time limit.
10. Information on government websites and online portals for exam details and notifications.

11. Techniques for reading comprehension, problem-solving, and answering different question types (MCQs, short answers, essays etc.).
12. Importance of peer support groups and mentorship from experienced individuals.

The talk went for about 2 and half hours with an interactive session at the end.
Almost 90 + students were participated in the talk.

To,
The Principal,
SSIT, Tumkur.

Respected sir,

Subject: Requesting permission to conduct an informative seminar.

As mentioned above, SSIT IEEE student branch members have planned to conduct an informative seminar about "Competitive Exam Orientation". The speaker is from Thulasi Das and Raj Institute for IAS, KAS and other competitive exams. So, we humbly request your permission to proceed forward to conduct this event on 20th March 2024

Thank you.

Yours faithfully,

Koushik Pai
