Report on

75th Republic Day 2024

Every year, Republic Day is celebrated in India on January 26 to commemorate the date when the Constitution of India came into effect and the country became a republic. This year, India will be celebrating its 75th Republic Day. The celebrations feature festivities and patriotic fervor all around the country. The purpose of these activities is to showcase the best talent across the nation and provide an opportunity for everyone to participate in the Republic Day celebrations of 2024.

India adopted the Constitution, drafted by Dr. B. R. Ambedkar, on January 26, 1950, and the day has been commemorated as Republic Day ever since. The Constitution of India governs the country and was essential for protecting the rights of citizens and establishing the principles for running a nation. Dr. B. R. Ambedkar was India's first law minister and the chief architect of the Indian Constitution.

For the 75th Republic Day celebration in 2024, more than 200 staff members and 50 students participated in the Republic Day events.

Dr. Renukalatha, Dean of Academics at SSIT, hosted the flag-raising ceremony and delivered presidential remarks. She spoke about the importance of Republic Day and discussed the Constitution and fundamental rights. Faculty members also shared their thoughts on this occasion. The program concluded successfully with a vote of thanks by Sri Nirmala G. Department of Computer Science Engineering. The event was coordinated by Rudresh K. R., Physical Education Director at SSIT.
