SSAHE 2023125

SRI SIDDHARTHA DENTAL COLLEGE & HOSPITAL TUMKUR ORAL HEALTH AWARENESS PROGRAM THROUGH RADIO SIDDHARTHA

Department: Orthodontics and Dentofacial Orthopedics

Topic: Awareness program on malocclusion in general population

Date & Timings: 03/08/2023 at 11.30AM

Presenter: Dr. Madhusudhan V

Brief Description:

Malocclusion is a condition of having crooked teeth or an "improper bite." Malaligned teeth can happen as teeth develop or from childhood habits, such as thumb sucking or due to heredity. The most common cause is when there is tooth size and jaw discrepancy. In addition to malaligned teeth, other symptoms may include discomfort or difficulty while chewing. Also correction of malaligned teeth and various treatment facilities available in the department was highlighted. A Professor Head Dr. Madhusudhan V from our department and Mrs. Sulochana (RJ), SSIT took part in radio talk on 03/08/2023.
