& Sri Siddhartha Institute of Technology**

On

Saturday 13th October 2018

@

Medical College Campus, Agalakote, B.H. Road, Tumkur - 572107

A Report

Participants: Dignitaries, Teaching faculty from Medical & Dental colleges and Students from both Medical & Dental colleges of SSAHE.

The SSAHE **"Green Graduation"** an initiative of beloved Vice-Chancellor, Dr. Balakrishna Shetty was started from the year 2014. This was started so that students actively participate in eco friendly initiatives and help spread the message to other Universities in our state and in India.

This activity is now being done for the third time in our University. So far around 150+ trees have been planted in our campus through this initiative which we have been able to sustain with active participation of students and faculties from all colleges affiliated to SSAHE.

This year 130 MBBS students of first year and 40 students from BDS first year participated in the programme organized on 13th of October 2018, Saturday. Students in batches of 3-4 planted around 60 saplings along with the Dignitaries and faculty from both Medical and Dental colleges.

All students and faculty attended the sapling session which was followed by an formal inauguration function wherein importance of this activity was talked about by all the invitees and organizers of this programme.

All students and staff participating in the programme were given Green T-Shirts & Caps to commemorate this day.

Ms Gopika and others were anchors of this inaugural function who were medical students from 1st yr MBBS. Dr. Ashok J, Prof in Dept of Community Medicine and member of the Organising Committee welcomed, The Honorable Chancellor Dr. G. Parameshwara, Honorable Director Dr. G. S. Anand and Regional Forest Office Mrs Pavithra in absentia. Later other dignitaries were welcome on stage, Hon'ble Vice-Chancellor, Dr. P. Balakrishna Shetty, Registrar, Dr. M.Z. Kurian, Controller of examinations, Dr.G.M. Shivakumarappa, Principal of Medical college, Dr. A.G. Srinivasamurthy, Principal of Dental College, Dr. Kashinath K.R and Principal of Engineering college, Mr. Veeraiah

Later Dr. P. Balakrishna Shetty our Vice Chancellor talked about the importance of this day and what was done the previous years and how the students should spread this message to others from other Universities. The Vice-Chancellor also reminded students to look after the trees by watering it regularly and told them that they would be given a Green Graduate Certificate, with a photo of the tree they planted at the end of their internship, when they would receive their MBBS Degree certificate.

Student volunteers, in total six from both Medical and Dental spoke about the importance of Environment and what is currently wrong and what we need to do urgently to bring back the environment to its pristine glory so that we can enjoy nature at its best.

Registrar, Dr. M.Z. Kurian spoke about need to observe such days and how it would be beneficial to students and the entire population by taking such initiatives.

Principal of Dental College, Dr. Kashinath K.R, spoke about statistics related to the environment and how we have been destroying it and what we need to do to sustain our environment.

Lastly Principal of Engineering college, Mr. Veeraiah, talked about the personal discussions which he had with our former Chancellor Dr. G.S.Shivaprasad wherein he encouraged him to cultivate in the land which he owned so that it could benefit the society at large.

This was followed by the Vote of thanks given by Vice Chancellor wherein he thanked everyone who had helped in making this programme a great success.

After this snacks and juice were given to all participants in the programme.

Lastly a photo session with all Organizers and students was arranged to remember this important event.
