Greetings from Podar International School, Tumakuru

Subject: Thanks for your kind service.

Dear Sir/Madam,

Podar International School, Tumakuru wants to thank you and express the deepest gratitude for your kind service. We are especially grateful to you and your team conducting dental check up for about 650 students of our school in our school premises.

We are immensely thankful to all the staff members for your kind support.
We hope for your continued support in the future as well.

We thank you on behalf of the school administration and staff.

Thanks and regards

Dear Sir,
Sub-Acknowledgement

I extend a heartfelt thanks to you and your team, for the time and efforts put forth towards oral and dental health check-up and screening camp conducted on November 08, 2022, for all the people . I am sure that people have been benefitted by your camp. The Dental Camp Referral Cards provided by you would be advantageous to our people.

Your gesture of goodwill towards community service is highly appreciated.

Thanking you,

Dear Dr Praveen
This refers to the dental camp held on 18th July for the students and teachers of middle and high school at Brahmasandra and L H Palya. On behalf of SODWAC and my own behalf I would like to thank you and your team conducting the camp. Looking at the number of students who turned up and were screened, the camp can be rated as a very successful and productive event. Dr Darshana was excellent in leading her team.
In this context, I would like to share with you the positive impact of such screening camps. At the dental camp at L H Palya held couple of years ago, your team of Doctors found a number of children had brown stains on their teeth. On questioning, it was noted that the students helped the parents in Areca nut peeling and in the process picked up the habit of chewing the nuts. The counselling by your doctors to the students, parents and teachers about the bad effects of chewing nuts has had a positive impact. In the examination at the recent camp the children's teeth were seen to be free from stains. Now the children are maintaining a good oral hygiene and no longer chew the nuts.
We look forward to hold more camps in association with you to cater to the oral health and hygiene of the students around Tumkuru.
Thanking you
Warm regards
Malathi Nagappa
Vice President SODWAC

Dear Sir,

Sub-Acknowledgement

I extend a heartfelt thanks to you and your team, for the time and efforts put forth towards oral and dental health check-up camp conducted on November 07, 2022, for our students. I am sure that our students have been benefitted by your camp. The Dental Camp Referral Cards provided by you would be advantageous to our students.

Your gesture of goodwill towards community service is highly appreciated.

Dear Sir,

Sub-Acknowledgement

I extend a heartfelt thanks to you and your team, for the time and efforts put forth towards oral and dental health check-up camp conducted on November 07, 2022, for our students. I am sure that our students have been benefitted by your camp. The Dental Camp Referral Cards provided by you would be advantageous to our students.

Your gesture of goodwill towards community service is highly appreciated.

Dear Sir/Madam,

Greetings!!

The Ministry of Health and Family Welfare, Govt. of India under the National Oral Health Program has recognized Maulana Azad Institute of Dental Sciences, New Delhi as the "National Resource Centre for Oral health and Tobacco Cessation" (NRC-OH-TC) since May 2021.

National Resource Centre for Oral Health and Tobacco Cessation is the single point of contact for developing, implementing and advancing the scope of dental health professionals in tobacco cessation for addressing patient care, research and capacity building along with integration in dental education.

31st May every year is celebrated as **World No Tobacco Day** across the globe. This year the theme for **World No Tobacco Day 2023** is **"We Need Food Not Tobacco".**

In this regard, NRC-OH-TC, MAIDS under the aegis of NOHP, MoHFW, GoI would request you to conduct **"World No Tobacco Fortnight"** starting from **31st May – 15th June 2023.** Every Dental Institution observing WNTD-2023 is requested to submit a brief report along with geotagged photographs, video clips, social media awareness campaign links and outcome impact of the activities to nrcohtcevents@@gmail.com by 16th June 2023.

The **best 3 performing states and dental colleges will be felicitated** after a standardized process of evaluation of the activities.

The same may be communicated to your respective college Principal to ensure conduction of the programme in the best way and in a befitting manner.

The suggestive list of activities is mentioned as below:

1. Promotive, preventive and screening outreach activities for tobacco users, preferably among vulnerable populations like factory workers/migrant populations/tobacco farmers/rural communities/ ~~pregnant females~~ and adolescents. ✓ Bhumika, Harshita, Himanshu, Hemanth
2. Electronic /Print IEC material and Banner displaying the World No Tobacco awareness fortnight in prominent places of the Dental Colleges, University and Dental clinics under NOHP. →
3. Oral cancer screening outreach programme preferably among vulnerable populations like factory workers/migrant populations/tobacco farmers/rural areas/pregnant females and adolescents. → Harshita
4. Continuing Dental Education Programme and training of dentists, nurses and para-dental/ medical professionals.
5. Public events like a Walkathon/Marathon/ Rahagiri/ Cycle rally/ rally/public lectures/ school teachers training and health workers training etc. to mark the event and sensitize the public.
6. Competitions ranging from quiz, slogan writing, reel, meme, poster, painting, video blogging, short film making in line with this year's theme **"WE NEED FOOD NOT TOBACCO".**
7. Pledge Ceremony for the public and patients for a **"Tobacco Free Healthy Life"**. → ~~OHC~~ IDM
8. ✓ Pledge Ceremony by dental faculty for creating awareness regarding the tobacco burden and providing cessation services to the patients. → IDM
9. ✓ Exhibiting Social media presence on Instagram, Facebook, Twitter, LinkedIn, Institutional Website with innovative hashtags. → Akanksha.
10. ✓ Radio/TV campaign/newspaper article/talk shows/street plays/flash mob to spread awareness against the epidemic of tobacco. → Dr. Darshana.

The above activities are only suggestive and not exhaustive. Any other relevant activities, as may be deemed fit, may also be carried out.

We stand in partnership with all of you for promoting tobacco cessation towards a Tobacco Free Generation.

Stay connected with us for further updates.

Tumakuru

Dear Sir

I extend a heartfelt thanks to you and your team, for the time and efforts put forth towards oral and dentalhealth check-up conducted on 6th September for our students aged 4 to 14 years. I am sure that our students have been benefitted by your oral health advice. The Dental Camp Referral Cards provided by you would be advantageous to our students.

Your gesture ofgoodwill towards community service is highly appreciated.

Tobacco Awareness Camp Report on 04/09/22

On September 4, 2022, the Department of Oral Pathology and Microbiology of Sri Siddhartha Dental College and Hospital, Tumakuru, held a Tobacco and Oral Cancer awareness programme in a village located in Vajarahalli near Nelamangala, Bangalore. About 77 villagers, including the head of the village, attended the event, which was conducted by two departmental interns named SAHANA K and TORIYA M SHAJI. The village residents were given a Kannada talk about tobacco and oral cancer awareness for a better understanding. The program's objective was to educate the villagers about the risks associated with tobacco use and how to prevent oral cancer by abstaining from tobacco usage. The link between tobacco usage and oral cancer was also discussed. We are grateful to the head and professors of the departments of oral pathology and microbiology for providing the opportunity and assistance needed to carry out the awareness programme.

Tobacco Awareness Camp Report on 28/09/22

An anti-tobacco dental awareness camp was held by the House Surgeons of Department of Oral Pathology of Sri Siddhartha Dental College on **28/09/22** at Jawahar Navodaya Vidyalaya, Gollahalli, Tumakuru.

The camp was conducted for about 80 students including the staff. The camp was initiated with educating the people about the various smoking forms like cigarettes, cigars, pipes and beedes etc & smokeless forms like pan-betel quid, snuff tobacco sachets and other popular forms.

The people were highlighted about development of oral cancers in their mouth either as direct lesions or such habits may result in the development of lesions which may turn into malignancy in future, if the habits are continued for long.

The population interacted with the house surgeons and cleared their doubts and gained knowledge concerning oral disease.

DEPARTMENT OF ORAL PATHOLOGY AND MICROBIOLOGY

Tobacco Awareness Camp Report on 16/11/22

An anti-tobacco dental awareness camp was held by the House Surgeons of Department of Oral Pathology of Sri Siddhartha Dental College on 16/11/22 at Kottihalli, Mallasandra, Tumakuru.

The camp was conducted for general population of around 30 residing in the area. The camp was initiated with educating the people about the various smoking forms like cigarettes,cigars, pipes and beedes, etc & smokeless forms like pan betel quid, snuff tobacco sachets and other popular forms.

The people were highlighted about development of oral cancers in their mouth either as direct lesions or such habits may result in the development of lesions which may turn into malignancy in future, if the habits are continued for long.

The population interacted with the house surgeons and cleared their doubts and gained knowledge concerning oral disease.

Tobacco Awareness Camp Report on 06/06/23

On 6th June 2023, the Department of Oral Pathology and Microbiology of Sri Siddhartha Dental College and Hospital, Tumakuru. Held a Tobacco and Oral Cancer awareness programme in a Factory located in Chikkahosuru, Tumakuru. About 96 workers attended the event, which was conducted by three interns named HEMANTH H C, HIMANSHU GARG and HARSHITHA A E. The workers were given a talk about tobacco and oral cancer awareness. The program's objective was to educate the workers about the risks associated with tobacco use and how to prevent oral cancer by abstaining from tobacco usage. The link between tobacco usage and oral cancer was also discussed. The doubts raised by the Workers about the topic was also cleared. We are grateful to the head and professor of the departments of oral pathology and microbiology for providing the opportunity and assistance needed to carry out the awareness programme.

Dear Sir/Madam,

Greetings!!

The Ministry of Health and Family Welfare, Govt. of India under the National Oral Health Program has recognized Maulana Azad Institute of Dental Sciences, New Delhi as the "National Resource Centre for Oral health and Tobacco Cessation" (NRC-OH-TC) since May 2021.

National Resource Centre for Oral Health and Tobacco Cessation is the single point of contact for developing, implementing and advancing the scope of dental health professionals in tobacco cessation for addressing patient care, research and capacity building along with integration in dental education.

31st May every year is celebrated as **World No Tobacco Day** across the globe. This year the theme for **World No Tobacco Day 2023** is **"We Need Food Not Tobacco".**

In this regard, NRC-OH-TC, MAIDS under the aegis of NOHP, MoHFW, GoI would request you to conduct **"World No Tobacco Fortnight"** starting from **31st May – 15th June 2023.** Every Dental Institution observing WNTD-2023 is requested to submit a brief report along with geotagged photographs, video clips, social media awareness campaign links and outcome impact of the activities to nrcohtcevents@@gmail.com by 16th June 2023.

The **best 3 performing states and dental colleges will be felicitated** after a standardized process of evaluation of the activities.

The same may be communicated to your respective college Principal to ensure conduction of the programme in the best way and in a befitting manner.

The suggestive list of activities is mentioned as below:

1. Promotive, preventive and screening outreach activities for tobacco users, preferably among vulnerable populations like factory workers/migrant populations/tobacco farmers/rural communities/ ~~pregnant females~~ and adolescents. ✓ Bhumika, Harshita, Himanshu, Hemanth
2. Electronic /Print IEC material and Banner displaying the World No Tobacco awareness fortnight in prominent places of the Dental Colleges, University and Dental clinics under NOHP. →
3. Oral cancer screening outreach programme preferably among vulnerable populations like factory workers/migrant populations/tobacco farmers/rural areas/pregnant females and adolescents. → Harshita
4. Continuing Dental Education Programme and training of dentists, nurses and para-dental/ medical professionals.
5. Public events like a Walkathon/Marathon/ Rahagiri/ Cycle rally/ rally/public lectures/ school teachers training and health workers training etc. to mark the event and sensitize the public.
6. Competitions ranging from quiz, slogan writing, reel, meme, poster, painting, video blogging, short film making in line with this year's theme **"WE NEED FOOD NOT TOBACCO".**
7. Pledge Ceremony for the public and patients for a **"Tobacco Free Healthy Life"**. → ~~OHC~~ IDM
8. ✓ Pledge Ceremony by dental faculty for creating awareness regarding the tobacco burden and providing cessation services to the patients. → IDM
9. ✓ Exhibiting Social media presence on Instagram, Facebook, Twitter, LinkedIn, Institutional Website with innovative hashtags. → Akanksha.
10. ✓ Radio/TV campaign/newspaper article/talk shows/street plays/flash mob to spread awareness against the epidemic of tobacco. → Dr. Darshana.

The above activities are only suggestive and not exhaustive. Any other relevant activities, as may be deemed fit, may also be carried out.

We stand in partnership with all of you for promoting tobacco cessation towards a Tobacco Free Generation.

Stay connected with us for further updates.

Partition Horrors Remembrance Day
10th-15th August 2022
A Report

Partition Horrors Remembrance Day is a national memorial day in India on 14 August, first declared in 2021, that commemorates the victims and sufferings of people during the partition of India.

The day remembers the sufferings of many Indians during the partition. Several families were displaced and many lost their lives in the partition. It aims to remind Indians the need to remove social divisions, disharmony and to further strengthen the spirit of oneness, social harmony and human empowerment.

To show case the sufferings of the partition affected people an exhibition was arranged from 10-15th August 2022 in SSIT. Dr.B.S.Ravikiran NSS Programme Coordinator welcomed the gathering and highlighted the purpose of this exhibition. The exhibition was inaugurated by Hon'ble Vice Chancellor Dr .P.Balakrishna Shetty, Dr M.Z.Kurian Registrar, Asst Registrars, Principal of SSIT Dr.M.S.Raviprakasha, HoDs were present and patriotic song was played on this occasion. Prof.S.H.Jeevith, NSS Officer, SSIT proposed the vote of thanks. During six days of exhibitions faculty members, non teaching staff, visitors, parents, students,NCC cadets,NSS volunteers saw the exhibition

Observation of World Breastfeeding week 2022

Theme- Step up for breastfeeding: Educate and Support

Observation of world breastfeeding week is one of the essential part of creating awareness and emphasize upon the importance of breastfeeding among mothers. This year's theme is apt for the reason of gross decline in breastfeeding practices prevalent among mothers in India.

Our department planned to conduct awareness programme to mothers in co-ordination with staff of Primary Health Centre, Nagavalli.

Pregnant women, lactating mothers and care givers were present.

Awareness on importance of breast milk, colostrum, frequency of feeding, complementary feeding, and advantages of breastfeeding was given. All the queries from the mothers were addressed by the speakers. The event ended with a song cherishing the motherhood.

Extension activity report-2022

Observation of World Breastfeeding week 2022

Theme- Step up for breastfeeding: Educate and Support

Observation of world breastfeeding week is one of the essential part of creating awareness and emphasize upon the importance of breastfeeding among mothers. This year's theme is apt for the reason of gross decline in breastfeeding practices prevalent among mothers in India.

Our department planned to conduct awareness programme to mothers in co-ordination with staff of Primary Health Centre,Nagavalli.

Pregnant women,lactating mothers and care givers were present.

Awareness on importance of breast milk, colostrum, frequency of feeding, complementary feeding, and advantages of breastfeeding was given. All the queries from the mothers were addressed by the speakers. The event ended with a song cherishing the motherhood.
