COMMITTEE FOR SLOW LEARNERS & MENTORSHIP

Report

2022-23

According to the instructions of the Chairperson /IQAC all the departments were advised to take steps in improving the performance of the slow learners and also encourage the advanced learners to excel in their respective departments.

Accordingly, all the various departments have identified the slow learners and advanced learners based on their set criteria. The slow learners have been monitored academically by the respective departments and they have shown progressive improvements in the Internals. Some of the recognised advanced learners have participated in the literary/scientific activities called upon by the National Speciality Associations.

**Principal/IQAC Chairperson
(Dr.Praveen.B.Kudva)**
