Training and Placement Annual Report (2021-2022)

Training and Placement Department has completed another successful year round of placement activities for its students as the continued faith reposed by the internal and external stake holders of the prestigious institutions.

The academic year for placements started with a detailed orientation given to the students with regard to the placement process followed at the institution.

There are broadly two processes followed at the institution.

- i) Pre-placement process and skill development.
- ii) Placement Process

The Training and placement department operates round the year to provide the necessary skills on various modules like soft skills, aptitude skills and technical skills and serves as an interface between the students and companies to provide internship and placements opportunities for the students.

Training & Placement department, SSIT had invited companies from various fields in order to make range of opportunities available for the students of all the courses.

The placement cell has completed another fruitful year of placements and internships as several regular as well as new companies visited the campus for recruitment drive.

A total No of 154 companies visited the campus for the recruitment drive (List is attached herewith) both for placement and internship.

A total No of 373 students (605 no of offers) have been placed with various companies and 137 no of students were selected for internships during the year with various companies.

T & P Department has conducted and organized various events to equip life skills and provide carrier guidance about the avenues open after graduations. Renowned training agencies have been employed & various experts have successfully provided the skills on various domains (120 hours of Training for soft skills & aptitude skills).

(80 hours of training and technical skills).

(60 hours of training on company specific).

Training & placement department has good no of MOUS with different organizations to provide the internships/skills/courses/workshops for the students like Infosys, IBM, TCS, SCII, Q-spider, Codenest etc.

To conclude, all the activities of the cell are conducted fearlessly by the placement department team with the help of Dr. Renukalatha S, Asst Placement officer with department faculty & students co-ordinators under the guidance and supervision of placement head Dr. Ashok Mehtha.
