PARACLINICAL BOARD OF STUDIES

Agenda: To discuss regarding the implementation of new curriculum

MINUTES OF MEETING

Welcome speech was by Dr Manjunath GN, coordinator welcoming all the members of BOS. Also welcomed the new member Dr Madhav K Savkar , professor of Pharmacology from AIMS, Bellur

Coordinator briefed about the new curriculum which will be implemented from the current year.

Since Integration is one of the main components in the new curriculum, it was emphasized to give importance for the involvement and cooperation.

Another important change is the skills demonstration and assessment. Everyone opted for the establishment of skills lab in the institution. This has to be completed by December 2019 as per the MCI guidelines

Discussion regarding internal assessment marks was there to clarify the new guidelines. The same 35% eligibility continues but 50% compulsory to pass. (As per the document)

The marks of VIVA and practical are clubbed according to the new document.

The timetable for the next year has to be prepared in advance since the number of subjects and integration is too many.

Strong discussions were with respect to the faculty in order to fulfill the criteria of MCI new curriculum. At least 1-2 extra faculties are needed to implement this.

Suggestions were given to the members to start preparing the specific learning objectives at the department level.
