ETHICS

Teaching Hrs - 20

Introduction:

There is a definite shift now from the traditional patient and doctor relationship and delivery of dental care. With advances in science and technology and the increasing needs of the patient their families and community, there is a concern for the health of the community as a whole. There is a shift to greater accountability to the society. Dental specialists like other health professionals are confronted with many ethical problems. It is therefore absolutely necessary for each and every one in health care delivery to prepare themselves to deal with these problems. To accomplish this and develop human values the council desires that all the trainees undergo ethical sanitization by lectures or discussion on ethical issues discussion of cases with an important ethical component.

Course content:

Introduction to ethics-

- What is ethics?
- What are values and norms?
- How to form a value system in one's personal and professional life?
- Hippocratic oath.
- Declaration of Helsinki, WHO declaration of Geneva International code of ethics, DCI code of ethics.

Ethics of the individual-

The patient as a person.
Right to be respected
Truth and confidentiality
Autonomy of decision
Doctor patient relationship

Profession Ethics-

Code of conduct
Contract and confidentiality
Charging of fees, fee splitting
Prescription of drugs
Over – investigating the patient
Malpractice and negligence

Research Ethics-

Animal and experimental research / humanness
Human experimentation
Human volunteer research – informed consent
Drug trials

Ethical workshop of cases
Gathering all scientific factors

Report On: Under Graduate Orientation Program 2021-22

The under -graduate orientation program was conducted on 30.04.2022 at Sri Siddhartha Dental College & Hospital, Tumkur. The program was anchored by Dr. Pushpalatha G, started with the invocation song which was rendered by Mr.Gaurav , followed by the lightening of the lamp by dignitaries, Principal Dr.Praveen B Kudva, Vice-Principal and administrative co-ordinator, Dr Bharthesh J V and new under graduate students. The welcome speech was given by Dr.Praveen B Kudva.

There was a self introduction by the new under graduate students followed by the distribution of the curriculum certificate for attending the under graduate orientation program. Dr. Kokila G, Professor, department of Oral Pathology appraised the fresh under graduate students about the course curriculum, code of conduct, attendance & examination pattern. The program was concluded with a vote of thanks.

Report On: Rural Community Education Program 2020-21

“Reach the unreached”

The under -graduate orientation program was conducted on 16/06/2021 at Sri Siddhartha Dental College & Hospital, Tumkur. The program was anchored by Dr. Pushpalatha G, started with the invocation song which was rendered by Ms Priyanka , followed by the lightening of the lamp by dignitaries, Principal Dr.Praveen B Kudva, Vice-Principal and administrative co-ordinator, Dr Bharthesh J V and new under and post graduate students. The welcome speech was given by Dr.Praveen B Kudva.

As our university basic mission and vision is “reach the unreached” the fresh under graduate and post graduate students were appraised by Dr Bharathesh, Head of the Department, Public Health Dentistry about the how our institution focuses on the oral health of rural population. Among rural population creating an awareness for prevention, early intervention, rehabilitation and education in addition to direct care. Our institution conducts various awareness, screening camps in and around the college at panchayath level so that the needy rural community will benefit and many schools have been adopted by college and peripheral and satellite centers are functional and instrumental in reaching the rural community. He also mentioned and motivated the students on their role in achieving this goal.
