

MINUTES OF PRE-CLINICAL BOARD OF STUDIES MEETING

Meeting of the Board of studies in Pre-clinical subjects was held on 16th JULY 2018 at 11.00 a.m at the conference hall, SSMC, Tumkur.

Meeting began with welcome address by the co-chairperson.

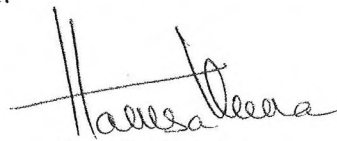

Agendas discussed in the meeting:

- Eligibility criteria for Fast-track examination
 - Revision in conducting Early clinical exposure
 - Developing competency based curriculum
-
- Discussion was done regarding eligibility criteria for appearing for Fast-track exams. It was opined that students who have appeared and failed in exam are eligible to give Fast-track exam.
 - Student who are not eligible to give exams due to shortage of attendance or IA marks should not be eligible to give exams in Fast-track examination
 - Attendance and IA marks should be updated on-line periodically so as to enable parents to have access to the information regarding their wards
 - Calendar of events, results and repeater list should be provided to concerned departments
 - Early clinical exposure should be conducted at the beginning of 2nd term instead of 1st term as it is conducted presently
 - To work on developing competency based curriculum
 - It was opined by the board that it is desirable to obtain No objection from students regarding merging of schemes for next academic year.

BOARD OF STUDIES – SURGERY AND ALLIED SUBJECTS

Minutes of meeting held 19th July 2018

As per the meeting notification No.SSAHE/ACA/BOS/35/2018 dated 12/07/2018 at 10:30AM in the Board room of the university.

Meeting was presided by Co-Chairman Dr.Mohan.M and conducted the proceedings by welcoming the external member Dr.Muniraju, prof & HOD of ENT , Dr.B.R.Ambedkar Medical college, Bangalore and also all members of the board of studies

The following members were attended the meeting

1. Dr.A.G.Srinivasa murthy - Chairman
2. Dr. Mohan.M - Co-chairman
3. Dr.Kiran Kalaih -Member
4. Dr.Jagannath - Member
5. Dr.S.B.Gangadhar - Member
6. Dr.Dananjay B.S - Member
7. Dr.Padmini - Member
8. Dr.Muniraju - External Member

Leave of absence

- 1.Dr.Jayashree S Shah- Member
- 2.Dr.Srinath S - Member
- 3.Dr.Ravikumar A.S -Member
- 4.Dr.Srinivasa N.M - External Member

The following suggestions were made by the members

1. All members suggested that at least 2-3 persons from BOS should be called /invited for the Academic council meeting of the university to have suggestions and to see whether suggestions are implemented or not; without this, next BOS meeting will not have any implications or importance , so as what happened for the suggestions made by BOS members.

2. All members suggested that preparing for **Competitive Based Teaching** from next academic year, teaching skilled labs for all surgical departments under one roof should be developed, that is **Simulation lab and ASK, Audiovisual aids for all lecture halls** is lacking and is affecting UG & PG academics .

3. All members suggested to call one professor/staff to scrutinize the question papers or to suggest changes, as most of the papers are getting exchanged during examination day which is causing inconvenience to the students. At least there should be a subject expert in the exam hall to correct the mistakes immediately. This is to avoid problems during paper corrections and there should be any overlapping of questions.

✓ 4. To introduce OSCE for 25% in clinical subjects in UG examinations

✓ 5. Members also suggested that, as we have 2 internal examiners for PG examinations, one has to be HOD, so that the standard of examinations & PG behavior can be controlled , as many universities are following this norms.

✓ 6. To make 3 theory and 3 clinical tests compulsory and attendance 75% for all UG's & PG's. Those who are not having attendance in each Term, should not be allowed to take further test, so that the attendance will improve. ✓

✓ 7. Fast track examinations for repeaters should be planned as suggested for 2 months ,, that is daily extra class 8:00AM to 9:00AM for one month in 1st year & 8:00AM to 9:00AM for other term repeaters.

8. Sitting fee for BOS meeting should be 1000/ for internal and 2000/ for external members.

✓ 9. Suggested by the members that as it is difficult to get examiners for UG & PG, kindly provide flight charges for external examiners both UG & PG, as followed by other universities.

Minutes of Pre-clinical Board of Studies meeting

Meeting of the Board of studies in Pre-clinical subjects was held on 28th MAY 2019 at 11.00 a.m at the Board Room at Siddhartha University, Tumkur.

Meeting began by welcoming board members and introducing the new members by Dr. Hamsaveena, co-chairperson.

Agendas discussed in the meeting:

- Implementation of New curriculum proposed by MCI for MBBS course
- Approval of time-tables for Foundation course and provisional master time-table of MBBS phase I

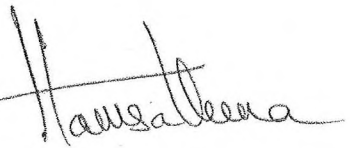

- The new curriculum (Competency based Undergraduate Medical Education curriculum) proposed by MCI to be implemented for MBBS course from 2019-20 batch
- To prepare a teaching guide by concerned departments in form of checklist for teaching competencies to maintain uniformity
- The same checklist can be used for assessment of these competencies
- Timetable of Foundation course for 1st MBBS students of batch 2019-20 was approved
- The provisional timetable for phase I MBBS batch 2019-20 was also approved
- It was opined to include sports for 1 hour daily during 4-5 pm throughout the course timetable
- Board felt a strong need to increase the staff strength for effective implementation of new curriculum where more emphasis is on Small group teaching
- Committee made a note of change in examination pattern in Biochemistry- 2 papers of 100 marks each
- Discussed about establishing Skills lab as part of requirement of new curriculum by December 2019

Contd...2

Following suggestions were made by the members:

1. Dr. Dhananjaya, Professor & HOD of OBG introduced the topic of implementation of new MCI curriculum, he discussed that new curriculum has to be implemented as per MCI guidelines and this will be explained and trained in the forthcoming Competency based medical education training and implementation for all teachers. Dr. Jagannath, Prof & HOD asked regarding their implementation of the curriculum because of time lag and suggested guidelines for implementation temporal integration for final year students. Dr. Prabhakar, Professor of surgery has supported his suggestions. All members are agreed in this regard and willing to take the training and implement the new curriculum as it is.
2. All members suggested that, the simulations lab to teach better as there is lack of time also.
3. Dr. C V Srinivas, External member told that all colleges are adopting the new curriculum with foundation courses from 1st year MBBS with respect to language problem of students, psycho social aspects and introduction of mentorship. All members agreed that we had implemented from previous 2 years and it is in progress and also 20% of MCQs based question papers.

The meeting concluded by vote of thanks by Co-Chairman

PARACLINICAL BOARD OF STUDIES

Agenda: To discuss regarding the implementation of new curriculum

MINUTES OF MEETING HELD ON 16/06/2020

Welcome address was give by Dr Manjunath GN, Co-Chairman. All the members of BOS were welcomed including the external member Dr Prathab Professor of microbiology, Ramaiah medical college, Bangalore.

Co-chairman briefed about the new CBME curriculum which will be implemented from the current year for 2nd phase of MBBS.

Discussion about the new courses to be started from the current year was done and few suggestions members were arrived.

1. Certificate course in clinical research
2. Hospital infection control program
3. Forensic odontology
4. Transfusion medicine

Some additional suggestions were also given by the external member regarding the thrust areas like skills course, infectious disease, cytogenetics and pharmacovigilance. These may be taken as a next step ahead.

Decision was taken by the members to introduce Continuous internal assessment dedicating 10 marks exclusively out of 60 marks in IA.

There was a discussion to have mandatory posting to the pharmacology, microbiology, forensic and biochemistry during their internship for 15 days. Later on it was suggested to have mandatory certification of essential skills in skills station as a part of completion of internship as per the CBME curriculum. This needs at least 2 years to initiate, provided planning is started now.

Meeting was concluded with vote of thanks

No.SSAHE/Aca/BOS/ /2020

Date: 26/06/2020

Proceedings of the BOS meeting conducted on 26/06/2020 in the Conference Hall, SSMC
Tumkur

The following members were present in the meeting

1. Dr. Rangaswamy K B Co-chairperson
2. Dr. Sharath Kumar D Shah
3. Dr. Anand kumar T S
4. Dr. Narendra G
5. Dr. Kumar G V
6. Dr. Sathyanarayana M T
7. Dr. Vineetha K V
8. Dr. Veena
9. Dr. Sahana, External Member

The following suggestions were made out in the discussion.

- I. Dr. Sharath Kumar D Shah – Professor and HOD, Department of General Medicine suggested that -
 1. Parents should be informed about the performance and attendance of the students to prevent last minute harassment by the parents for shortage of attendance. Parents also should be informed to monitor their children during the online classes.
 2. Non-teaching staff should be assigned for the departmental works.
- II. Dr. Narendra G– Professor and HOD, Department of Dermatology
 1. Expressed his happiness for incorporating dermatology topics in General Medicine paper.
 2. He also suggested to train the staff for online classes by engineering faculty.

- III. Dr. Veena – Associate Professor, Department of Dermatology
1. Suggested to keep 1 or 2 dermatology spotters in General Medicine practical exam and if cases are not available at least OSCE should be arranged.
- IV. Dr. Satyanarayana M T – Professor and HOD, Department of Psychiatry
1. He also expressed his happiness for incorporating psychiatry topics in General Medicine paper.
 2. He also said because of that, now all the students are strictly attending dermatology and psychiatry postings.
- V. Dr. T S Anandkumar – Professor of Department of Paediatrics
1. Suggested to bring the attendance and internal assessment marks to the notice of the parents so that they are aware about the performance of their child.
- VI. Dr. Kumar G V – Professor of Department of Paediatrics
1. Suggested to implement the splitting of cases which was suggested in the last BOS meeting i.e., 1 long case for 40 marks and 2 short cases of 20-20 each.
- VII. Dr. Sahana – Professor of Paediatrics, External member suggested
1. Screen shots should be taken while online classes are going on to have evidence of the attendance of the students.
 2. Well equipped skill lab should be made available to the students on par with BMC, which is helping students to a greater extent.

7. Dr.Veeranna -Member
8. Dr.Jayashree S Shah - Member
9. Dr.Srinath S - Member
10. Dr.Ravikumar A.S -Member
11. Dr.Srinivas Arva -Member
12. Dr.Chandrashekar -Member
13. Dr.Kirankumar K M -Member
14. Dr.Lokesh H M --Member

15. Dr.Niharika Shetty --Member
16. Dr.Jyothiswarop --Member
17. Dr.B C Prakash -Member
18. Dr.C N Ramesh --Member
19. Dr.Dwaraknath --Member
20. Dr.Ravi K B --Member
21. Dr. Girish B L --Member
22. Dr. C V Srinivas - External Member

Leave of absence

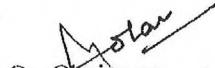

- 1.Dr.Prabhakar - Member
2.Dr.Rekha - Member

Minutes of the meeting

1. **Plan for current Academic session:** Online classes to be continued for students of all terms, revision classes for the exam going term students to be held. After arrival of the students, to follow Govt./University guidelines to conduct examinations.
2. To consider pre examination preparation like revision class, clinical case demonstrations following strict quarantine and physical distancing.
3. All members suggested to conduct online classes for students with clarity of sound and two way interactions with facility to record, so that students can access later for reference, to increase the number of class rooms. External member Dr.Srinivas suggested "Medwiz app" which is good for two way communication and recording of attendance and all members were supported.
4. In case of delay, if need arises clinical examinations can be held with case scenario pattern as suggested by members.
5. Dr.Gangadhar wanted to know whether robotic anaesthesia, simulations is introduced or not as it is required in PG syllabus(Training) and many of the faculty members underwent training already.

6. All HODs and members suggested to have ECLS (Emergency Care and Life support) training and implementation as it is very much necessary for students and faculty. Members were informed that interns were trained by qualified team already.
7. Members suggested to have simulation or skill labs for training of UGs and PGs at the earliest as it is need of the hour.

All members were suggested to implement teaching time table based on CBME (Competency Based Medical Education) curriculum and prepare question bank pertaining to 10.5. 3, 2, marks questions and 20% MCQs and same to be introduced in Internal assessment from the academic year.
