

1. Dr. Virzoda Kumar H.R.
(Assistant Professor) Dept of Biochemistry
Mr Chetan has given nice demo on how to draw a blood. Mr Chetan was briefly explained & Lab is Very nice

2. Dr G. R. R. L. Dept. of OGS.

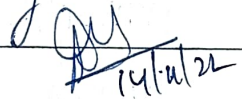

Demonstration done to my satisfaction.
Very informative for both OGS and
I & teaching and Skill training.

14/11/22

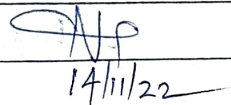

3. Dr. Shepakala, Dr. Hemapalant. Dept. of Analytical
Demonstration was done and it
was very informative and satisfactory

14/11/22

4. Dr. Meghana, Dr. Narsimethy. Dept of Pharmacology
Demonstration was done appropriately and it was
informative

14/11/22

5. Dr. Nataraj, Dr. Lokesh, Dr. Vinay, Dr. Pradeep
It is good, yet new mannequins for
demonstration should be available.

14/11/22

14/11/2022

Dr. Dimple K G

Beautiful setup. Need more maintenance and practice materials.

14/11/22

Dr. Chaitra. N

Well equipped skill lab. ^{Detailed} Demonstration would be helpful

Chaitra

14/11/22

Dr. Kshama. K.

Well equipped skill lab. Dummies for eye and jaw required

Kshama

14/11/22

Dr. Bharathi

Well equipped, models for Endoscopies, Bronchoscopy, Spinal management (ward parking needed..)

Bharathi

14/11/22

Dr. Sumanyu

Multiple simulations available, will be very helpful for students

Sumanyu

14/11/22

Very well developed skill lab, spacious,
- hope to see the good use of skill lab.

Arun

14/11. Good for training DGS & PGs

hls

14/11 very good for learning - VA & PGs IS

15/11 Good skill lab. Simulation machines, for orthopaedic surgical simulation would be great

Dr. Radeep H.

15/11 awesome skill lab. sl

16/11 well kept, clean. RB

16/11/22 nice, useful for learning. Z

16/11/2022 Ambulance is good, Required equipments all were present, Its clean and pleasant. Z

16.11.2022 Very nice place to learn! Thank you so much.

16.11.2022 State of Art Skill Lab. Well done NR

16-11-2022. Awesome & Excellent infrastructure with Good for all medical students.

Dr. Subha M.R.

16/11/2022. Well equipped, and neatly maintained.

16/11/22

18/11/22. As a first year MBBS student, I look forward to learn new things in this amazingly built skill lab. The outcome is very good and an amazing opportunity for the students to improve their skill.

18/11/22 It was a good experience. I suggest such workshop always open.

18/11/22 It was a very great experience. Arrangement done nicely & properly & also well maintained time. Please snack & tea given on time.

19/11/22 It was a nice experience to able to visit @ty

19/11/22 It was nice @ park to able to present my presentation this conference.

1/12/22 Visit to Skill Lab By 1st MBBS students of 22-23 new batch - for orientation program.

2/12/22 BLUE STAR Air Service

2/12/22 Excellent facilities

12/12/22 Skill lab is very useful for both undergrad & PG.

12-12-22 Service is very good. Staff are co-operative and helpful. *****

13/12/22 Orientation programme for 1st MBBS students on First Aid and BLS. First Aid + BLS was arranged in skill lab.

Training went smoothly and arrangements are very good.

S. S. S.
Dr. Shival Kumar
co-ordinator
SSMC.

14/12/22

Orientation programme for 1st MBBS students on First Aid in Orthopedics + Splints & Traction arranged in skill lab. Arrangements were very good & the training session went smoothly.

S. S. S.
Dr. Radeep H.
Asst. Prof ortho
SSMC

14/12/22 Good ambience by organizers. An interactive and learning session for 1st year MBBS students. A very helpful session.

S. S. S.
14/12/22

26/12/22

A fine concept of Rollas in medical education → practical aspect.

S. S. S.

02/02/23

Came here for giving BLS demo to first MBBS students. good ambience, all the facilities are nice. session went very smooth. Very helpful for students.

S. S. S.
