**JUNGLE RALLY:**

Running through the jungle is the most adventurous event .As in Army running is the most important thing for a soldier, we had a 12km run. We were make small groups while we ran for around 12km.It is mainly to indulge group coordination. As a group had to run, the whole group was responsible that no one was left back, the complete group must start and complete the run together. So the coordination of the whole group was maintained.

### **LEACTURE:**

Not only with the info of weapons soldiers survive. There will be classes on Map reading, Field craft & Battle craft, Section formations, Field Engineering, Judging Distance, Traps, Night Navigation, Trenches, Army history, Motivation.

We used to have lectures on the basis of the things taught to the trainees of IEME Centre. We were taught about the camps make in the places where no ready made building are available. And to march from one place to another specified place using the map, where no other artificial navigational devices are supplied. Along with the navigation the traps that a soldier should be aware of while marching. They are also teach about the night navigation, so that they can march in the night also.

Army motivation classes are also make compulsory to the cadets to motivate the cadets to join the Armed forces of INDIA. The history of the INDIAN ARMY is briefed to have a better knowledge on the ARMED FORCES of INDIA.

Our 6/4 Coy, SSIT, thank heart fully our institution for supporting us to go on with such long term camp in spite of being engineering students. I thank you our entire respective Management, H.O.D's concerned faculty members. We could never forget our battalion for providing us such a valuable education for life.

We thank our Sri Siddhartha Education Society and SSAHE, sir for his constant support and motivation.

We thank CO Col. Y.S PARMAR. 4KAR BN , Tumkur.

We thank Col. SHYLES SHARMA. AO, 4KAR BN , Tumkur. sir for encouraging and pushing us forward.

Our special thanks to all other staff who helped us and supported us directly & indirectly, we thank them all.

## **1. EK BHARAT SHRESHTH BHARATH CAMP HELD AT TORANAGALLU (BALLARI) FROM 17 JAN 2019**

NO: KAR/SW/A/ 17/ 145846  
NAME: SOUMYA GOUDAR  
UNIT: 4 KAR BN

NCC (NATIONAL CADET CORPS). As its motive goes," To develop health, women empowerment, protection of environment, rescue demonstrations and the importance of preserving historical monuments, character, comradeship, discipline, leadership, secular outlook, spirit of adventure and the ideals of selfless service amongst the youth of nation.To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life and always available for the service of the nation. To provide a suitable environment to motivate the youth to take up a career in the armed forces". It is trying to make cadets worthy leaders in all aspects by conducting many camps. One such camp is the "Ek Bharat shreshth bharatcamp", it aim making cdt. The main intention behind organizing the camp was to provide a platform for cadets of different states to interact with each other and know about the art, culture and traditions of other states, conducted during the camp would play a major role in creating awareness among youth and in shaping their personalities.

The NCC Ek Bharat shreshth bharat camp being held at toranagallu between 17th January to 28th January 2019. So our EBSB was in toranagallu (Ballari). We were representing the Karnataka and goa directorate with 10 cadets from our 4 kar battalion , EBSB is a camp which will help you in building long lasting relations with not only the cadets but also the defense officers. We have fun, we dance, we make friends, you learn and then new culture, and moreover we build yourself. EBSB is a **Mini INDIA**. We might not get a chance to meet the people of different regions of your country so easily, just listen to the stories they have from their region. How beautiful is their culture and how beautiful they are. **The main motto of this camp is to make cadets aware of different cultures present in the country.** events conducted NIAP, group dance ,group song, solo dance ,quiz ,games.

### **NIAP (NATIONAL INTEGRATION AWARENESS PROGRAM )**

Cadets from 2 directorates of national cadet corps showcased the ‘cultural diversity’ of the country as they propagated their state’s culture and tradition at the national integration awareness program organized. Equipped with colorful props and costumes, through this camp we aim bridge the cultural divide and infuse a sense of unity among the cadets surpassing religious, cultural, regional and linguistic barriers.

## **DEBATE COMPETITION**

It was a joyful healthy learning environment with lots of activities like group discussion, debate, quiz was conducted and CDT Soumya goudar participated from Bangalore A group in Debate and won first price. Debate winners of Karnataka and goa directorate - Cdt SOUMYA GOUDAR During the third day of camp number of training, cultural activities and visits took place. The cadets were organized into two groups. Group- 1 was taken to HAMPI for exploring the historical beauty and next day to JSW -for study visit. The camp started in the month of January with our 4 KAR BN. There were cadets from whole of bangalore A group. We were almost 10 (both SD's and SW's) in the begining. From SSIT college 1cadet ( 1 SW) Cdt Soumya goudar Stood among those 10 odd cadets with hope of reaching TORANAGALLU with a positive spirit of participation and nervousness of competition. Our training used to begin at 5:30 am. We used to get up at 4 O'clock to finish our ablutions. Uniform and DMS gave us the feeling of real soldiers. PT begin. Train tickets were booked and after 12hrs of travel we reached to the platform of opportunity. It was the month of January. Competitions among directorates started. The toughest thing was line area management. Cleaning and painting in that hot weather was killing. We were back in Tumkur on 29th of January. We had a feeling of a soldier coming back home after a war. This camp taught us many things and gave us an experience for life. We had a proud a satisfied feeling when PI staffs came to railway station to recieve us.

I Cadet of SSIT thank heart fully our institution for supporting us to go on with such long term camp in spite of being engineering students. I thank our HOD Dr.M.Z.KURIAN Sir and conserved faculty members. I could never forget our battalion for providing us such a valuable education for life. I Thank our ANO Lt Dr H V.JAYAPRAKASH sir for his constant support and motivation. I thank Col.SHYLESH SHARMA sir for encouraging and pushing us forward.I thank CO Col. Y.S PARMAR . Our special thanks to all other staff who helped us and supported us indirectly, I thank them all.

***THANK YOU JAI HIND***

## **2. ARMY ATTACHMENT CAMP, 2019 HELD AT 1 EME CENTRE (SECUNDERABAD) FROM 14 APR TO 25 APR 2019**

Sr no.	Cadet's Name	Reg no.
1.	Cdt. Sachin A R Bhat	KA/17/SD/A/145836
2.	Cdt. Prabhu S Sasanur	KA/17/SD/A/145830

4.	Cdt. Jagan Somanna	KA/17/SD/A/145832
5.	Cdt. Vinay C	KA/17/SD/A/145838

NCC (NATIONAL CADET CORPS). As its motive goes," To develop health, women empowerment, protection of environment, rescue demonstrations and the importance of preserving historical monuments, character, comradeship, discipline, leadership, secular outlook, spirit of adventure and the ideals of selfless service amongst the youth of nation. To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life and always available for the service of the nation.To provide a suitable environment to motivate the youth to take up a career in the armed forces". It is trying to make cadets worthy leaders in all aspects by conducting many camps. One such camp is the "Army Attachment camp". it aim making cdt..The Army Attachment camp conducted by NCC in collaboration with Indian Army, as we are attached with 1 ELECTRONICS & MECHANICAL ENGINEERS CENTRE. The main intention behind organizing the camp was to train cadets in military tactics including day/night warfare and also get familiar with the weaponry. Cadets derive immense value through attachment with Armed Forces units where they experience the functioning and life in military units. Cadets of army wing go through a period of attachment with respective services of the Armed Forces.

ARMY ATTACHMENT CAMP being held at 1 ELECTRONICS & MECHANICAL ENGINEERS CENTRE between 14<sup>th</sup> April to 25<sup>th</sup> April 29, 2019 2019. So our Attachment camp was in 1 EME CENTRE (Secunderabad). We were representing the Karnataka and goa directorate with 19 cadets from our 4 kar battalion, Army Attachment Camp is a camp which will help you in building long lasting relations with not only the cadets but also the defense officers. We had training with the recruits of 1 EME. We had a life of a training for 11 days. Getting knowledge of different weapons, learning the war technics, specifications of the weapons we had a training life. We might not be the leaders of the group but we strengthened the leadership qualities inbuilt in us. **The main motto of this camp is to experience and enhance the army training to cadets** .Events conducted weapon training, long march, outing.

## **Weapon training:**

Weapon is the most important friend of every soldier. As such we were specified with the weapons used in Army. We were taught about the combat situations like close combat and open combat. So knowing about the weapons was the every important task over there, and we did it. They taught us how to assemble and disassemble the INSAS rifle, how to hold the gun while firing, And there parts name and its working, They showed guns like CMG 9mm, LMG 7.62mm, INSAS 5.56mm rifle, and their position to fire, they thought how to operate 36 GRANADE, and they showed us air gun rifle which is using in shooting sports. By learning all this we got some confidence that we can operate rifles in war time.

## **JUNGLE RALLY**

Running through the jungle is the most adventurous event .As in Army running is the most important thing for a soldier, we had a 12km run. We were make small groups while we ran for around 12km.It is mainly to indulge group coordination. As a group had to run, the whole group was responsible that no one was left back, the complete group must start and complete the run together. So the coordination of the whole group was maintained.

## **LECTURE:**

Not only with the info of weapons soldiers survive. There will be classes on Map reading, Field craft & Battle craft, Section formations, Field Engineering, Judging Distance, Traps, Night Navigation, Trenches, Army history, Motivation. We used to have lectures on the basis of the things taught to the trainees of IEME Centre. We were taught about the camps make in the places where no ready made building are available. And to march from one place to another specified place using the map, where no other artificial navigational devices are supplied. Along with the navigation the traps that a soldier should be aware of while marching. They are also teach about the night navigation, so that they can march in the night also. Army motivation classes are also make compulsory to the cadets to motivate the cadets to join the Armed forces of INDIA. The history of the INDIAN ARMY is briefed to have a better knowledge on the ARMED FORCES of INDIA.

## **OUTTING:**

### **1. SALARJUNG MUSEUM, HYDERABAD**

### **2. GOLKONDA FORT, HYDERABAD:**

We are Cadets of SSIT thank heart fully our institution for supporting us to go on with such long term camp in spite of being engineering students. I thank all our respective branch HOD's and concerned faculty members. We could never forget our battalion for providing us such a valuable education for life. We thank our ANO Lt Dr. H V JAYAPRAKASH sir for his constant support and motivation. We thank Col. SHYLESH SHARMA sir for encouraging and pushing us forward. We thank CO Col. Y.S PARMAR. Our special thanks to all other staff who helped us and supported us indirectly, we thank them all.

### 3.BASIC LEADERSHIP CAMP (HUBLI ,KARNATAKA)

Cdt Ume asma – KA/18/SW/A/147752

Basic leadership camp is an NCC camp that helps develop leadership traits in cadets and makes them more confident. It was a camp focused towards building up of a cadet's leadership qualities and soft skills.

The course topics include:

- Leadership
- Training management
- Pick and speak
- Motivation speaks
- Introduction about SSB
- Self awareness
- Communication skills
- Self confidence
- Stress management
- Character building
- Time management
- Various activities were conducted in order to remove the stage fear and to improve the communication skills in the cadets
- Group discussions
- Debates
- Startups visits and many more
- Those who complete Basic leadership camp are next given the vacancy for the Advance leadership camp.

From 4 Karnataka Battalion, Bangalore A group, 12 of us got selected for this camp which was held at HUBLI, by 12 July to 21 July at 28 Karnataka Battalion. Out of 12 cadets who were selected 8 of them were SD's and 4 were SW's, and I was the only cadet who got selected from our college. We all 12 cadets left the Tumkur Battalion at 19.00hrs with a PI staff.

We travelled by train which arrived at 20.40hrs to HUBLI and reached the railway station at 4.00hrs. From there our ANO arranged vehicle to reach camp site which is BVB college of engineering along with Bangalore "A" group cadets. Total we were around 65 cadets and 2 ANOs. We were cross checked along with our nominal role to verify the documents.

We reached the camp site that is 28 KAR inside KLE university campus. We were given rooms after taking signature's for the documents and biometric. Each room had 9 members, the rooms were really good and comfortable. Everybody settled down, Col. greeted us. We were given lunch and were briefed about the camp. The whole day was free, we were strictly informed not to go out of the gate. The evening went in making our uniform ready for next day welcome address. We were given dinner and was instructed that all the lights should go off before 21.00hr.

Then as the schedule was set the classes get started, first the lecture was given about leadership treats, then motivation section was there where the motivation speaker was MR PRAVEEN GUDI, after that session other Sessions continued as per schedule planned Next day some of cadets were took to perform digital yoga in old auditorium while remaining cadets went to PT.

After this we had breakfast and then again we gathered in auditorium where many sessions on different topics were discussed such as, Verbal development, a demo was shown by an Institute members on how to face personal interview, group discussion and there was session on personality development and many more.

- While in camp we visited places such as **DHARWAD REGIONAL SCIENCE CENTER**, which made us to learn and to know many historic, scientific and exciting things

- Along with this we visited **ECO VILLAGE**. Which has more importance regarding eco system, water restoration and the ultimate option of human after the End of non renewable sources.

Last day of camp was ended with group photo, cultural events and fountain show

## 4. BASIC LEADERSHIP CAMP (MYSURU).

Cdt vijaya Krishna – KA/17/SD/A/145839.

Cdt vijaya krishna has attended basic leadership camp at mysuru from 05 june to 14 june.

## 5. Hospital attachment training camp

### Command hospital air force Bangalore

Cdt Sharanya prakash - KA/18/SW/A/147750

Cdt Revathi - KA/18/SW/A/147749

NCC (National Cadet Corps) as it's motive goes

- To develop character, comradeship, discipline leadership secular outlook spirit of adventure sportsmanship and ideals of selfless service among the youth of the nation.
- To create a human resource of organised trained and motivated youth to provide leadership in all walks of life and always available for the service of the nation.
- To provide a suitable environment to motivate the youth to take up a career in the armed forces.

It is trying to make the cadets worthy leaders in all aspects by conducting many camps. One of such camp is HATC(Hospital Attachment Training Camp) .HATC conducted by NCC in collaboration with military hospital. As we were attached with Command hospital air force. The main intention behind organizing the camp was to train the cadets with basic medical emergency and first aid skills.

The HATC being held at COMMAND HOSPITAL AIR FORCE BANGALORE between 14<sup>th</sup> Nov to 23<sup>rd</sup> Nov 2019.The camp is totally consist of 20 cadets of KAR and GOA directorate. We represented 4Kar BN Tumkur (Bangalore A group). Here we learnt many medical skills. Which will be helpful for us and our society in all medical emergencies.

1<sup>st</sup> day we had pre-test. Then they started teaching us about first aid, seizures, anatomy and physiology, fractures, chest pain, diarrhoea, unconsciousness, shock, disaster management and many more. They taught us how to handle and give first aid in all above mentioned conditions.

And also we had practical classes too. Where we learnt bandaging and bed making. In bandaging we had spiral, reverse spiral, eight knot, knee, elbow, wrist, arm, shoulder, head, jaw and many more.

At last we had test on these topics both practical and theory.

One day they got us into STATION HEALTH ORGANISATION (SHO). Where the staffs took lecturing about mosquito bites and the preventive measures, health and hygiene, they show the practical things like gambusia fishes.

Next 2 days they took us to MEDICAL TRAINING CENTER (MTC). There 1<sup>st</sup> day they show us a complete drill of basic life support, shifting a casualty, cardio pulmonary resuscitation(CPR). In addition to that the air men's show off their talents in their rifle drill. Next day they took some theory class and

there we did CPR individually in front of officers which had boost our confidence level much more. Then one day we went to wards visit.

Last day we had certificate distribution in commandant office. It is a great honour for us to march in front of commandant and we received our certificate from commandant Deepak gaur ji. In the evening we had cultural event in which we took our time to tank all the faculty for their kind cooperation and hospitality provided for all of us since from last 10 days.

It is one of the memorable camp in our life because we had learnt many life saving skills. We are cadets of SSIT and SSIMS thank heart fully our institutions for supporting us to go on with such a long term camp in spite of being engineering and medical students. I thank all our respective branch HOD's and

concerned faculty members. We could never forget our battalion for providing us such a valuable education for life.

We thank our ANO Lt Dr.H. V. JAYAPRAKASH sir for his constant support and motivation. We thank Col. SHYLESH SHARMA sir for encouraging us. Our special thanks to all other staff who helped us and supported us directly and indirectly. We thank them all.

## 6.ARMY ATTACHMENT CAMP, 2019 HELD AT IEME CENTRE (SECUNDERABAD) FROM 17 NOV TO 27 NOV 2019.

Srno.	Cadet's Name	Regno.
1.	CQMS Prateek Tiwari	KA/17/SD/A/145835
2.	LCPL SA Adarsh	KA/18/SD/A/147745
3.	Cdt Chetankumar	KA/17/SD/A/296333

The ARMY ATTACHMENT CAMP being held at I ELECTRONICS & MECHANICAL ENGINEERS CENTRE between 17<sup>th</sup> Nov to 27<sup>th</sup> Nov 2019. So our Attachment camp was in IEME CENTRE (Secunderabad). We were representing the Karnataka and Goa directorate with 40 cadets from our 4 KAR battalion, Army Attachment Camp is a camp which will help you in building long lasting relations with not only the cadets but also the defense officers. We had training with their crews of IEME. We had a life of a training for 10 days. Getting knowledge of different weapons, learning the was technics, specifications of the weapons we had a training life. We might not be the leaders of the group but we strength ened the leadership qualities in built in us. The main motto of this camp is to experience and enhance the army training to cadets. Events conducted weapon training, longmarch, outing.

### **Weapon training:**

Weapon is the most important friend of every soldier. As such we were specified with the weapons used in Army. We were taught about the combat situations like close combat And open combat. So knowing about the weapons was the every important task over there, and we did it. They taught us how to assemble and disassemble the INSAS rifle, how to hold the gun while firing, And there parts name and its working, They showed guns like CMG 9mm, LMG 7.62mm, INSAS 5.56mm rifle, and their position to fire, they thought us to operate 36 GRANADE, and

They showed us air gun rifle which is used in shooting sports. By learning all this we got Some confidence that we can operate rifles in war time.

### **ROUTE MARCH:**

It was held prior to the closing address on 25<sup>th</sup> NOV, the motto of the route march is to glance The concept of the troops over designated route, typically via roads or through jungle. The Choices of routes

areal ways those were the human connection is very less like jungle(helps to Camouflage easily) and specially organized during midnights. It's basically done when a Troop needs to shift or needs to enter the area captured by the opposite army (Naksalites & jihadis). The conduction of our route march is to brief the basic and the Quintessential terms of march.

### **LEACTURE:**

Not only with the info of weapons soldiers survive. There will be classes on Map reading, Field Craft & Battle craft, Section formations, Field Engineering, Judging Distance, Traps, Night Navigation, Trenches, Army history, Motivation, Weapon khoodna, Weapon briefing and Arm our briefing. We used to have lectures on the basis of the things taught to the trainees of IEMECentre. We were taught about the camps make in the places where no ready made building are available. And to march from one place to an other specified place using the map, where no other artificial Navigational devices are supplied. Along with the navigation the traps that a soldier should be Aware of while marching. They are also teach about the night navigation, so that they can march In the night also. Army motivation classes a real so make compulsory to the cadets to motivate the cadets to Join the Armed forces of INDIA. The history of the INDIAN ARMY is briefed to have a better Knowledge on the ARMED FORCES of INDIA.

## OUTTING:

### 1. SALAR JUNG MUSEUM, HYDERABAD

We are Cadets of SSIT thank heartfull your institution for supporting us to go on with such long term camp inspite of being engineering students. I thank all our Respective branch HOD's and concerned faculty members. We could never forget our Battalion for providing us such avaluable education for life. We thank our ANO Lt.Dr.H.V JAYAPRAKASH sir for his constant support and motivation. We thank Col. SHYLESH SHARMA sir for encouraging and pushing us forward. Our special thanks to all other staff who helped us and supported us indirectly, we thank them all.

## **Observation of National Unity Day**

**31-10-2015**

To commemorate the birth anniversary of Late Sardar Vallabhai Patel, National Unity day was observed on 31-10-2015 in our Institute. Nearly 150 Students participated in this event. B.S.Ravikiran,NSS Prog Coordinator,SSAHE welcomed the gathering. Sri Arjun Devaiah Olympian and Asiad Gold Medal winner in Relay who is now motivational trainer was the Chief Guest. He highlighted the freedom struggle made by Sardar Patelji. He stressed the need to maintain unity, harmony and integrity of the country. Dr.K.B.Shivakumar Placement and Training Officer also spoke on the occasion .Later the students and Staff members were administered the National Unity Day pledge. A run for unity for flagged off by Sri Arjun Devaiah. Prof H.S.Jayaramu, HOD Telcommunication Dept and Student Welfare Officer Prof T.R.Chandrashekar were present on this occasion.

### **SWACHCHA BHARATH ABHIYAN**

#### **Report**

Shramadan at Adishakthi Maamma Temple, Hethenahalli (10 kms from Tumkur). 95 students took part in this activity. Swachcha Bharath pledge was administered to the NSS volunteers.10 groups were formed. The temple premises and the roads leading to the temple were cleaned .Later the NSS volunteers interacted with villagers and they stressed the importance of cleanliness and hygiene in and around their living place and also educated about hand washing before taking food daily.

***Celebrations of International Yoga Day  
and  
World Environment Day  
Report***

National Service Scheme Unit in association with Sri Patanjali Yoga Shikshana Samiti and Forest Department, Government of Karnataka celebrated International Yoga Day and World Environment Day on 20-6-2015(Saturday).The function started at 10 AM with the chanting of OMKARA mantra. Sri Puneeth.K Asst Professor, MED,SSIT who is also a Yoga teacher welcomed the gathering and introduced the chief guests. All the dignitaries lighted the lamp marking the inauguration of the function. Chief Guest of the function Sri Thyagaraju who is practicing yoga from last 25 years highlighted the importance of yoga in the life. He spoke on how UNO declared June 21<sup>st</sup> as International Yoga Day and the number of countries practicing yoga. He acknowledged the contributions made by Sri BKS Iyengar to Yoga. He highlighted how yoga will make a person hale and healthy. He also said that yoga and good environment will go hand in hand. Sri Narasimhamurthy, Range Forest Officer, Forest Department, Government of Karnataka spoke on the importance of planting tree saplings and the need to keep the environment pollution free. Dr.M.Z.Kurian, Registrar, Sri Siddhartha University, Tumkur stressed the importance of Yoga in the present world. He said that if a person practices yoga daily he can keep the doctors and medicines away. He also explained why many countries are practicing yoga. Dr.M.K.Veeraiah, Principal, SSIT in his presidential speech spoke on the benefits of yoga and advised the audience to practice yoga. He explained how yoga will keep a person fresh physically and mentally. Later there was a demonstration of Surya Namaskar and few asanas by the yoga students who are practicing yoga from last 3 years. Sri Puneeth.K Asst Professor, MED,SSIT who is also a Yoga teacher gave the introduction and explained the benefits of each asana. Smt Mallika, Librarian proposed vote of thanks. Around 210 staff and students participated in this function.

After the function nearly 100 tree saplings given by Forest Department, Government of Karnataka was planted in the college campus by the dignitaries, staff and students. ## Engg colleges defy govt, charge extra fee

College managements are collecting up to ₹35,000 more for facilities like library, Wi-Fi, lab, skill training and others.

**Many had wondered** why 2000 private engineering colleges across a major part of Karnataka were not affected by the 10% hike in fees for private engineering colleges. The answer lies in the fact that many of these colleges are not registered with the Higher Education Department which does not have any monitoring mechanism for these colleges. They are not registered with the Higher Education Department which does not have any monitoring mechanism for these colleges. They are not registered with the Higher Education Department which does not have any monitoring mechanism for these colleges.

**FROM BANGALORE** Many private engineering colleges across Karnataka are not registered with the Higher Education Department. They are not registered with the Higher Education Department which does not have any monitoring mechanism for these colleges.

**What do you say about the fee hike?** The fee hike is a good thing. It will help the government to improve the quality of education. It will also help the government to reduce the burden on the state. It will also help the government to improve the infrastructure of the colleges. It will also help the government to improve the faculty of the colleges.

More than 2000 colleges across Karnataka are not registered with the Higher Education Department.

The fee hike is a good thing. It will help the government to improve the quality of education. It will also help the government to reduce the burden on the state. It will also help the government to improve the infrastructure of the colleges. It will also help the government to improve the faculty of the colleges.

College	Extra Fee
BITD, Bangalore	₹15,000-18,000
NTIT, Institute of Technology, Bangalore	₹20,000-25,000
Savitribi College of Engineering, Bangalore	₹20,000
VES Institute of Technology, Bangalore	₹25,000

Below the table, the article mentions that the government and colleges are not registered with the Higher Education Department.

## Celebration of National Energy Conservation Day 2019

16-12-2019

### Report

In association with Karnataka Renewable Energy Development Limited, SSITC, SSIBM, SSIMS, NCC unit of SSIT *National Energy Conservation Day* was organized in SSIT, Tumkur. Dr. B.S.Ravikiran, NSS Prog Coordinator, SSAHE welcomed the gathering. Dr M.S.Raviprakash, Principal, Sri Siddhartha Institute of Technology, Tumkur spoke on the importance of conserving the energy. He said that Energy Conservation is a term to use the least amount of energy while avoiding unnecessary use of energy. It aims to save energy for future use. This day emphasizes every person to include energy conservation in their behavior. He said that anyone can save

energy by taking small steps at home or office by eliminating unnecessary use of light, fan, AC or any other electric instrument. Dr.M.Z.Kurian Registrar, SSAHE suggested many ways to save energy .Dr.M.Siddappa Dean (Academics) highlighted that everyone should reduce the use of AC or heater because both instruments consume a larger amount of energy every day.CFL bulbs or smart lighting options can reduce energy consumption. Water heating equipment consumes a lot of energy. He advised that using less hot water can save a lot of energy. Water conservation also leads to better energy conservation. Dr L.Sanjeev Kumar HoD EEE also spoke on this occasion. Prof.S.H.Jeevith, NSS Officer, SSIT proposed the vote of thanks.NCC Officer Lt Dr.H.V.Jayaprakash was present on this occasion. A rally from SSIT to townhall was flagged off by Dr.M.Z.Kurian Registrar, SSAHE. This rally aimed to create awareness among the public about the importance of saving and conserving energy. NSS Volunteers gave the pamphlets containing e information about how one can use the energy for its better use in the future. Its main objective is to reduce energy consumption and encourage people to use it efficiently. Nearly 260 staff and students participated in this programme
