

Highlights of the STUDENT INFORMATION SYSTEM

- Comprehensive online student information - both academic and nonacademic to monitor the progress of the students.
- Keep track of staff activities- academic.
- Student counselling/mentoring.
- Facilities for the parent to track the progress of their wards.
- Access to portal from any device , anytime, anywhere.
- Online Feedback system.
- Dashboards for Management, Principal, HODs to monitor the various activities of college and department.
- Student academic management — Attendance and Internal marks.
- SMS and email facilities for missed class.
- Coded Examination system and various reports as per requirements
- Role based menu driven rights

Advantage to Institute

- ✓ Increased participation from students
- ✓ Improved performance from staff
- ✓ Better transparency and giving much needed clarity to parents
- ✓ Student mentoring can be more effective as information about the student is readily available with mentor.

Comprehensive Details:

1. Comprehensive online student information and knowledge management collaborative portal for most efficient and effective means of communication to all stake holders of academic institutions
2. Monitor 360 degree view of student performance including academic and non-academic
3. Keep track of staff activities and provide very vital information about staff academic performance to management any time anywhere
4. Access to portal from any device , anytime, anywhere in completely secured environment to all stake holders like students, parents, teaching staff, non-teaching, HOD's, principal and Management
5. Systematically accumulates all vital information and distributes 'JUST IN TIME' data to all just click of button when information is most needed and it reduces cycle time to collect data if manual.
6. Collaboration is success key for this portal, include and involve student, parents participation means increase in through put yield in the format of academic results. Enhanced user participation, enhanced transparency, enhanced monitoring . ability to track student performance on time so that corrective measure when it is needed
7. Various dashboards including staff individual performance monitor besides HOD's and Principal dashboard with unique concept of 'Click to View' gives upper hand for ° academic institutions to utilize intellectual in most optimal and for best usage of academic than spending most of their time in preparing time consuming manual process
8. Role based , menu driven user rights for portal access with options to View/Entry/Modify rights

Software Features

Wide-spread and well covered tightly integrated modules with good user friendly User Interface enhance user integration and gives better work culture and environment for both staff and student

Modules ranging from admission to examination and publishing results and printing of all statutory reports for various university and accreditation needs

Student Enrolment

- Admission
- Online Registration
- Re-Registration for year loss students

Course Management

- Option to add/remove courses
- Option to add/remove subjects offered for each semester

Subject Management

- Branchwise Student — subject mapping for each semester with option either for automatic Or manual in case of elective subjects
- Practical Batch creation and allocation for each subjects with option to swap
- Subject wise Staff mapping

Time Table Management

- Simple drag and drop user interface to define time table
- Distribution of time table data to individual stake holders with ease
- Exchange session with alerts to individual staffs through either Text Messaging or eMail based Swap time table on need basis

Attendance Management

- Subject attendance marking — option to mark only Absent or All
- Option to capture lesson detail towards fulfilment of Accreditation process
- Special attendance marking
- Extra attendance marking

- Attendance Register preparation based on accumulated data (in line with manual register format)
- Dashboard to monitor and track conduction of classes and attendance mark status to individual subject teacher , HOD's and Principal
- E-Mail based alerts to HOD and Principal for unmarked attendance
- Option to Block out days in case of functions, seminar or any other activities either at institutions level or branch level
- Lesson plan and attendance subject extract for final submission to autonomous and SEE eligibility check
- SMS to parents in case of students absent for classes
- Option for student/parents to track their own attendance thus increased participation and overall performance of student and staff
- Generation of Attendance shortage view anytime/anywhere
- Improved and increase in staff commitments towards transparent and effective system

CIE Exam Management

- Option to configure CIE examination details like TEST1,TEST2... and option to define marks for each examinations
- Time bound marks capturing for each examinations gives indication and transparent environment for focusing and identifying weaker students
- Dashboards to monitor and track mark capturing for individual staff and HODs
- Availability of information to students from the time it is announced helps students to improve their performance in subsequent exams
- Option to define components for Theory and Practical examinations separately
- Text messaging (SMS) to parents for absent students

Student Mentoring / Counsellors

- Student Staff mapping for career counselling and guidance
- All key information about the student including his academic and domicile data accumulated for profile view for mentors/HOD/Principal from one screen
- Fortnight update about student progress to parents by designated mentors directly increased clarity and participation from parents
- Remarks update and option to view by all staffs
- PTA letter generation and sending as attachment through e-mail and hard copy
- ○ Mentor wise Attendance shortage view for staff anytime anywhere

- Continuous monitoring and guidance helped student to perform well in their final semester examinations

EXAMINATIONS

Pre-Examination Process

- Exam time table creation
- Practical batching and allocation of time slots
- Staff exam duty scheduling
- Staff reliever duty scheduling
- Staff squad duty scheduling
- Eligibility check based on defined attendance percentage and minimum CIE marks
- Seating arrangements based on defined room matrix. Option to auto allocate or manual
- Hall Ticket generation for eligible students and download option for students along with room numbers printed against each subjects.

Examination Process

- Invigilator diary preparation (Form — B)
- Room chart / lay out preparation
- Question paper distribution list as per student seating matrix
- Form — A generation and Text Messaging to parents for absent students
- Malpractice data capture and results WITHHELD option enabling
- Text messages to parents for absent students

Bundling Process

- Coding / decoding of answer booklet automatically on the day of examination which is mandatory/compulsory requirement for VTU/NAAC/NBA accreditations
- Automatic answer scripts bundling along with unique random bundle number with configurable number of booklets for each bundle
- Valuation based on unique OMR based data capturing for faster and accurate results processing

Valuation Process

- OMR based marking and data capture
- Unique document scanner based data capture
- Revaluation form submission and fees collections
- Separate revaluation process and merger to master data
- Complete audit log of examination data

Post-Examination Process

- Results processing and results publishing
- Option to view results directly by students post processing
- Option to print provisional grade cards
- Option to apply online for revaluation/retotaling/photo copy for students directly
- Result Analysis , ASIR Report and all other VTU statutory reports

Advantage to Institute

- ✓ Increased participation from students
- ✓ Improved performance from staff
- ✓ Better transparency and giving much needed clarity to parents
- ✓ Student mentoring can be more effective as information about the student is readily available with mentor.

INSTRUCTIONS TO CANDIDATE

Instructions	Malpractice
1. Only one mark answer book will be issued and normally 20 additional books are provided. The candidate should write her/his USN Number and give other information against the space provided on the 100 page of the answer book. Also sign in the designated space.	1. Bringing in the examination hall or being found in possession of portions of a book, manuscript, Cell phones, Programmable Calculator, PDA or any other material or notes.
2. Answers must be written using blue or black pen in INK only. If there is a change in ink, the same shall be attested by the Room Superintendent on the facing sheet of the answer book of the hall.	2. Having any writing matter or scribble past, Question Paper, Admission Card, Calculator, Palm Hand, Leg Hand, Ruler, Clothes, Socks, Instrument Box, Identity Card, Scales etc.
3. Answer book should be handed over personally to Room Superintendent before leaving the examination hall.	3. Decreasing legibility by writing any words or by making any peculiar marks or by writing UTM on the pages other than the facing sheet in the answer script while answering.
4. Candidate is prohibited from writing her/his Name and Registration Number in any part of her/his answer book.	4. Copying from the material or matter in possession of another candidate or seeking aid or assistance is rendered to another candidate within the Examination Hall.
5. No candidate shall be permitted to go in-out during the period of examination.	5. Communicating with any candidate or any other person inside or outside the examination hall with a view to take assistance or aid to write answers in the examination.
6. The candidate should see that the Room Superintendent has appended her/his signature at the specified space on the answer book and when her/his received the answer book.	6. Making any request of representation or offers any threat for inducement or making a bribe to Room Superintendent or any other official or officer of the college for favors in the examination hall or to the Examiner in the answer script.
	7. Smuggling out or smuggling in or taking off of the answer script sheets or supplementary sheets or writing papers written outside the examination hall into the answer book or handing away along with the answer script from the examination hall or premises.
	8. Impersonating or allowing any other person to impersonate to answer in his/her place in the examination hall.
