Webinar : "Smart manufacturing with Industrial IoT"

Hello There!

Thanks for attending our webinar, "Smart manufacturing with Industrial IoT".

We hope you enjoyed it! If your question wasn't answered during the live event, we plan to get back to you shortly.

We would like to set up a call to see what you thought about the event and the industry in general. Does next week work for you?

Please feel free to book a slot for a discussion at your convenience:
<https://calendly.com/neha-47>

At Prusight, we present a modern digital platform that brings together the leading industry practices in manufacturing processes along with wealth of important data analytics from the shop floor. These both put together provide manufacturers the ability to achieve improved service levels and savings across labor, maintenance, energy, yield loss, rework, warranty and overhead costs, and working capital, enabled by IoT.

Prusight provides cognitive solutions that provide real-time visibility of your business
