To
The Convenor
Medical Education Unit

30th July 2020

Through
The Director/Dean/Principal

Dear Sir/Madam,

Sub: Conduct of MCI recognized Curriculum Implementation Support Program - 2 for Faculty at your institution.

We do hope that this letter finds you well!

Please find below the MCI guidelines and necessary MCI mandated document formats to be submitted for the grant of permission to conduct of Curriculum Implementation Support Program – 2 for faculty at your own institutions that is mandated and will be recognized by the MCI.

Salient features are summarized below:

- The required formats are:
 1. Program Schedule
 2. Participant list - Teachers ID as per MCI website has to be entered
 3. MEU members list with details of training
 4. Curriculum Committee members list

Plan for Curriculum Implementation Support Program (CISP) – 2 for Second Phase Faculty

- These will start from August **2020 onwards till September 30, 2020**. It will be of **2 days duration**. Colleges must **plan dates** in consultation with NC/RC. Like CISP-I, **only one CISP-II** per college is required.
- **At least 2 weeks** is required following submission of all the documents for permission to be granted by the Expert Group, MCI.
- **Suggest at least 2 or 3 possible sets of dates for the conduct of CISP 2 workshop to enable the Nodal Centre to coordinate and obtain approval of an Observer.**
- It is mandatory for the participants to attend all the sessions.
- The participants should be present at a **common large hall/MEU** using all distancing precautions. Participants must **wear name badges** at all times having **serial number** written on them **as per the participant's list** provided to observer.
- The participants would be regular teaching faculty of colleges and should be Associate Professor & above.
- The **number of participants** per workshop would be from **25-30**. The **suggested ratio of participant is: preclinical: 5-10; para-clinical: 10-15; Medical & allied: 5; Surgery & allied: 5**. Any change in ratio should have a valid reason. All the participants of CISP II should have undergone the **Revised Basic Course Workshop**.
- The Coordinator of MEUs in medical colleges should inform the Convener of their respective Nodal or Regional Centre, sufficiently in advance, the details of the schedule for conducting the CISP II Workshop, the list of participants and other details.
- Expenses to conduct these workshops in colleges will be made available to the Coordinator of MEU by the Head of the Institution/medical colleges including online resources and platforms.
- The Convener/Co-Convener (in charge of this program) at Nodal/ Regional Centre would send the detailed report of the Workshop in the existing format along with list of participants with teacher ID to the Academic Cell, MCI.

- The presentations for all sessions to be conducted in CISP 2 have been sent to the meu coordinators and deans of all the colleges

Kindly acknowledge receipt of this mail

With regards

Dr Sitalakshmi S

Co-convenor and Incharge

To

The Dean/ Principal / MEU Coordinator

Greetings for the New year 2020!

On behalf of the MCI Nodal centre, St John's Medical College, we are happy to inform you that MCI has given the guidelines to conduct Revised Basic Course for the year 2020

The details are attached

The Dean/ Principal of all the colleges are requested to ensure that the MEU Coordinator and the resource faculty in their colleges fulfil the requirements specified by the MCI

The colleges may plan to conduct the Revised Basic Course in their own colleges as per MCI guidelines

The required details and documents to be submitted atleast two months in advance

Participant list with Teacher ID in the MCI format

MEU composition and resource faculty list – as per MCI format

Workshop schedule

The colleges can propose two sets of dates and the nodal centre will try to obtain permission from the academic cell, MCI based on mutually convenient dates and MCI will nominate an observer from the Nodal centre

The participants can include Teaching faculty, **Contract/Temporary Teachers and Tutors**

Dr Sitalakshmi S
Co-convenor and Incharge
Revised Basic Course workshop and CISP
MCI Nodal centre
St John's Medical College, Bangalore

AND

Dr John Stephen
Convenor
