## Professional ethics and awareness programs

Quality Assurance and ethics are not peripheral to, or an add-on to, engineering. It is integral to the practice of engineering, part of engineering problem solving. Safety and guarding against avoidable harm are built into engineering; they are the principles that underlie engineering codes and standards. In connection with this a program titled "*Quality Assurance, Professional Ethics and Social Concern in Engineering Domain*" was organised by IQAC of SSIT on 31/10/2019 for faculty and students.

Renowned person Prof. M A Lakshmithathachar, Rashtrapati Awardee, Dean and chairman of Research, Sri Ramanuja Vidyalaya Pratisthan, Melukote was the chief guest and key note speaker of the day. He elaborately spoke on roles of professionals and their responsibilities in their respective domain.

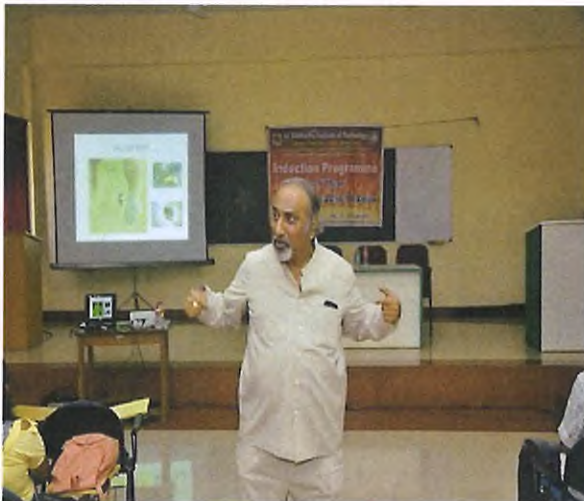

A session was organised to throw a light on professional ethics by Veereshananda Saraswati Swamiji, Ramakrishna Ashram, Tumakuru.
