DENTSOFTWARE : Software for Dental Colleges And Clinics

A demonstration of Dentsoftware was conducted at, Sri Siddhartha Dental College & Hospital, Tumkur AV hall for teaching faculty, post graduates and interns by Mr. Sumesh (Dentsoftware Associate) on 18th October 2022. Various demonstrations were made regarding installation and use of software through Internet on Laptop system. The program helped in understanding of access to large database of patients categorized according to their chief complaint and diagnosis in a digital dental record format. The purpose of this demonstration was to emphasise on ease of storage and access of recorded patient data.
