## **INSTITUTIONAL RESEARCH COMMITTEE**

**DATE: 20/7/2020 VENT: Savyasachi Auditorium, SDC**

### **Report on**

### **Faculty Development Program on "Research for Personal and Professional Growth"**

The Institutional Research Committee, Sri Siddhartha Dental College & Hospital, Tumkur, organized a Faculty Development Program (FDP) on "Research for Personal and Professional Growth" on 20 July 2020 at the Savyasachi Auditorium. The programme was provided over by Dr. Praveen B. Kudva, Principal & IQAC Chairperson, Sri Siddhartha Dental College & Hospital, Tumkur. The session was delivered by Dr. K. P. Rao, an eminent academician and researcher.

The FDP aimed to enhance the research competencies of faculty members and postgraduate students while emphasizing the importance of research in achieving personal excellence and professional advancement.

### **Objectives of the Faculty Development Program (FDP)**

1. To foster a research-oriented mindset among faculty members and postgraduate students by emphasizing the importance of research in academic and professional excellence.
2. To enhance knowledge of research methodology by providing insights into identifying research problems, designing studies, and conducting quality research.
3. To strengthen scientific writing and publication skills for preparing high-quality manuscripts and publishing in reputed indexed journals.

**SRI SIDDHARTHA ACADEMY OF HIGHER EDUCATION**

(Deemed to be University Declared under Section 3 of the UGC Act, 1956)

Accredited 'A+' Grade by NAAC

**SRI SIDDHARTHA DENTAL COLLEGE & HOSPITAL**

Agalakote, B.H. Road, Tumkur - 572107, Karnataka

Recognised by Dental Council of India, New Delhi

A Constituent College of Sri Siddhartha Academy of Higher Education (Deemed to be University)

Web : [www.ssdctumkur.org](http://www.ssdctumkur.org)

Email: [ssdctumkur@gmail.com](mailto:ssdctumkur@gmail.com)

4. To promote ethical research practices by creating awareness about publication ethics, plagiarism prevention, authorship criteria, and responsible conduct of research.
5. To encourage research collaborations, funding opportunities, and the effective use of emerging technologies, including artificial intelligence, to improve the quality and impact of research.
6. To motivate participants towards continuous personal and professional development through lifelong learning, innovation, scholarly publications, and evidence-based practice.

During the session, Dr. R. P. Pai comprehensively covered the following major topics:

**Developing a Research Mindset** – Highlighting the significance of curiosity, innovation, and critical thinking in building a successful research career.

**Research Methodology and Study Design** – Explaining the process of identifying research gaps, formulating research questions, selecting appropriate study designs, and conducting scientifically sound research.

**Scientific Writing and Manuscript Preparation** – Providing practical guidance on structuring manuscripts, writing quality research papers, and effectively communicating scientific findings.

**Publication Ethics and Journal Selection** – Emphasizing research integrity, plagiarism prevention, authorship ethics, selecting indexed journals, and avoiding predatory journals.

**Research Metrics, Grants, and Collaborations** – Discussing citation indices, research impact, funding opportunities, and the importance of collaborative and interdisciplinary research.

**Artificial Intelligence and Future Perspectives in Research** – Highlighting the emerging role of artificial intelligence in literature search, data analysis, scientific writing, and future trends in health research.

The programme was highly interactive, with faculty members and postgraduate students actively participating in the discussion and question-and-answer session. The participants appreciated the practical insights, motivational guidance, and real-world examples shared by the resource person.

Email: [ssdctumkur@gmail.com](mailto:ssdctumkur@gmail.com)

Overall, the Faculty Development Program successfully strengthened participants' understanding of research methodology, scientific publications, ethical research practices, and the importance of continuous learning. The programme motivated the participants to pursue quality research, enhance their publication output, and contribute effectively to academic excellence and institutional research culture.

**Feedback:** The programme received excellent feedback, with participants rating the content, delivery, organization, and usefulness of the session as good to very good. The attendees recommended organizing similar Faculty Development Programmes on advanced topics in research, grant writing, publication ethics, artificial intelligence in research, and scientific communication in the future.

**Conclusion:** The Faculty Development Program successfully achieved its objectives by promoting a research-oriented culture and enhancing the knowledge and skills of faculty members and postgraduate students. The feedback received reflects the effectiveness of the programme and highlights the need for conducting such academic enrichment activities on a regular basis.
