Coordinator: Dr. Darshana B

Description of the Program

Training of Teachers (ToT) For Dental Faculty-A – Faculty Development Program was conducted as a faculty development initiative by Sri Siddhartha Dental College and Hospital, Tumkur under the aegis of Sri Siddhartha Academy of Higher Education in association with Academy for Initiatives and Milestones. The program aimed at improving the teaching–learning process by equipping faculty members with modern pedagogical approaches and effective assessment strategies.

Objectives of the Program were

- To enhance teaching and andragogical skills among dental faculty
- To promote outcome-based education and effective assessment methods
- To encourage the use of innovative and technology-enabled teaching practices
- To strengthen faculty competence in academic delivery and student engagement

The sessions were delivered through interactive lectures, discussions and group activities focusing on teaching learning methodologies, microteaching, outcome-based education, assessment techniques, communication skills, and the role of technology in dental education. Faculty members actively participated in the discussions and group activities, shared experiences, and engaged in reflective learning.
