EBSCO Information Services Training Acknowledgement

A demonstration of EBSCO-DOSS software was conducted at, Sri Siddhartha Dental College & Hospital, Tumkur AV hall for post graduates and interns by Mr. M.S. Srinivasa (EBSCO Training manager) on 29th November 2022. Various demonstrations were made regarding installation and use of software on mobile and laptops. The program helped in understanding of access to large database of journals and books available to be used by students and faculty of the dental college. The importance of implementation of this software with the purpose of writing research articles and dissertations were highlighted followed by an interactive competitive quiz session regarding the EBSCO software.
