ACTION TAKEN REPORT

The university committee after receiving the feedback report from constituent college heads had a meeting for discussion. The heads of institution with the help of the feedback committee had collected the feedback for all the programs offered from various stake holders namely students, parents, patients, alumni, academic peers and employers and analyzed. The report was presented before the university committee and was discussed in detail.

- After sufficient deliberations the university committee recommended to initiate the plan of action for effective implementation for the overall development of the institute.
- Student feedback on teachers for all the academic subjects was evaluated on annual basis for appraisal.
- The committee insisted the heads of institutions to focus on the curriculum with special attributes in terms of applicability and relevance to real life situations.
- The committee also directed the IQAC of the constituent colleges to have discussions with the respective committee chairman for effective modifications and implementations.
