Value added course Report

A Value added course was conducted on 23/05/2024, 24/05/2024 and 25/05/2024 from 10am to 4pm for all 4th BDS, Interns and Post graduate students on the topic of "Clinical Photography"

It was a three day program with lecture on Introduction to digital photography, working of digital camera on day 1(23/05/2024), Basics of Clinical Photography, Recent advances in digital photography on day 2(24/05/2024), Hands on demonstration of clinical photography, demonstration of photo taking skills in various clinical scenarios was done on day 3(25/05/2024). Dr Muralidhar G, faculty of Sri Krishnadevaraya College of Dental Sciences was the resource person for the program who has enormous experience in clinical photographic skills and a habitual wildlife photographer.

The program was very useful for students for knowing regarding the importance of documenting the clinical cases with good photographs and nice details of their clinical work which is very important in publishing their research work
