Report:

The first quarterly meeting of the Pharmacovigilance Committee primarily focused on reviewing activities of the Adverse Monitoring Centre (AMC) and planning future initiatives. Dr. Arun Hebbar JN presented the Annual Report of AMC – 2025, highlighting key implementations, trends in ADR reporting over the last three years, sensitisation programmes conducted, total ADRs reported and commonly implicated drugs. Upcoming pharmacovigilance activities and future plans were also discussed. The Annual Calendar of Events for 2026, proposed by Dr. Arun Hebbar JN, included monthly sensitisation programmes under pharmacovigilance and materiovigilance along with meeting schedules. Dr. Arun Hebbar JN informed the committee about the recognition of Sri Siddhartha Medical College, Tumkur, as a Medical Device Monitoring Center (MDMC) under the Materiovigilance Programme of India (MvPI) and presented current reporting trends. Proposed amendments to the Pharmacovigilance Committee were discussed and the inclusion of Mr. Akilash Gowda, Biomedical Engineer, was approved in place of Mr. Vishwanath. New strategies included approval of an ADR Alert Card in English and Kannada and inclusion of ADR referral notes in case sheets. Suggestions on tracking trade names causing frequent ADRs, increased sensitisation for PGs and reporting rare cases were discussed. The meeting concluded with appreciation and a vote of thanks.
