sl.no	Particulars	
1	Activity Registration Number	SSAHE261791
2	Department	OBG
3	Date/s of activity conducted	1/09/26
4	Type of the activity	VACCINATION DRIVE
5	Title of the activity	HPV VACCINATION
6	Number of participants	42

Report: On September 1, 2026, the HPV Vaccination Drive was conducted, which was first initiated by **Dr. Indira .H , HOD of Dept of OBG**, two year ago, continued its vital work in protecting women's health and combating cervical cancer..

Following this , the much-awaited **HPV Vaccination Drive** officially began at 11 am . A total of 42 **participants** took the vaccine, a significant step forward in the fight against HPV-related cancers.

A noteworthy highlight of the **HPV Vaccination Drive** was the increased awareness and participation among **men as well as women**. With improved understanding that HPV infection affects both genders and that vaccination can help prevent HPV-related diseases in men too, **male participants also came forward to receive the HPV vaccine**. Their participation helped challenge the common misconception that the HPV vaccine is meant only for women and marked a positive step toward **gender-inclusive HPV prevention and greater community awareness**.

With the successful completion of the **HPV Vaccination Drive**, the event concluded on a highly positive and impactful note. The drive was a testament to the power of awareness, education, and community collaboration in advancing women's health.

Boucher/ circular:
