5	Title of the activity	<b>Hyperkalemia and the importance of RAASi optimisation</b>
6	Number of participants	<b>Approximately 50 participants</b> (including postgraduate students and faculty )
7	Budget	Institutional / Departmental allocation

#### Report:

A CME titled "Hyperkalemia and the Importance of RAASi Optimisation" was organized by the Department of Nephrology, Sri Siddhartha Medical College, Tumkur, on 17th September 2025 from 12:00 PM to 1:00 PM at the Dermatology Seminar Hall (OPD First Floor). The session was delivered by Dr. Sanjay Srinivas, Associate Professor, Department of Nephrology, who elaborated on the pathophysiology, clinical implications, and management strategies for hyperkalemia in patients on renin-angiotensin-aldosterone system inhibitors (RAASi). The talk emphasized balancing cardiovascular and renal protection with mitigation of hyperkalemia risk using current guideline-based approaches. The session concluded with an interactive Q&A discussion followed by lunch.
