Report:

On 18th September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC), Sri Siddhartha Medical College, Tumkur, organized a Sensitization Programme on Pharmacovigilance for the general public at the KSRTC Bus Stand, Tumkuru.

The programme commenced with awareness talks by Dr. Nandini T., Dr. Swamy R. M., Dr. Naveen Kumar, Dr. Narasimha Murthy, and Dr. Arun Hebbar J. N., highlighting the importance of safe medicine use and reporting of Adverse Drug Reactions (ADRs). This was followed by a skit performance by the 2nd Year B.Sc. Allied Health Sciences students, which conveyed the message of Pharmacovigilance in a simple and engaging manner.

A total of around 100 members of the public actively participated in the event. The session concluded with words of appreciation from the KSRTC Bus Stand In-charge and Police staff. A heartfelt vote of thanks was proposed by Dr. Arun Hebbar J. N., who acknowledged the cooperation of the KSRTC and Police staff in facilitating the programme and appreciated the enthusiastic participation of the public.

Report:

On 18th September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC), Sri Siddhartha Medical College, Tumkur, conducted a Sensitization Programme on Pharmacovigilance at Sri Sai Sikshana Seva Shathara, Heggere.

The session commenced with informative talks on the safe use of medicines and the importance of reporting side effects, delivered by Dr. Narasimha Murthy and Dr. Arun Hebbar J. N. This was followed by a skit performance by the 2nd Year B.Sc. Allied Health Sciences students, which effectively demonstrated how Adverse Drug Reactions (ADRs) can be identified and reported in a simple and engaging manner.

A hundred high school students participated actively, showing keen interest and enthusiasm throughout the programme. The school staff expressed their appreciation for the initiative, and the session concluded with a vote of thanks by Dr. Arun Hebbar J. N., who acknowledged the support of the school authorities and the enthusiastic participation of the students.

Report:

On 20th September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC), SSMC, organized a series of creative competitions at the Department of Pharmacology as part of the National Pharmacovigilance Week – 2025.

The events included Rangoli, Handmade Poster, E-Poster, and Essay Writing competitions, all conducted on the theme “Your Safety, Just a Click Away” as given by the Pharmacovigilance Programme of India (PvPI).

The competitions aimed to spread awareness on the importance of adverse drug reaction (ADR) reporting, highlighting how timely reporting through digital platforms can ensure patient safety. Students actively expressed their ideas through colorful rangolis, impactful posters, innovative e-posters, and insightful essays, creatively depicting the need for vigilance in medication use and the ease of reporting ADRs in the digital era.

Report:

On 21st September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC), SSMC, Tumkur, conducted a sensitization programme on Radio Siddhartha 90.8 FM.

During the session, Dr. Nandini T., Dr. Narasimha Murthy K. M., Dr. Arun Hebbar J. N., Dr. Pavan Kumar Reddy, and Dr. Devaraju C. spoke on the importance of Pharmacovigilance and Adverse Drug Reactions (ADRs). They highlighted how ADRs can be identified, managed, and most importantly, reported to ensure patient safety.

The recorded audio programme was later broadcast on All India Radio 90.8 FM, reaching the general public and helping to create greater awareness about ADR reporting.

6	Number of participants	100
7	Budget	Rs.1400/-

Report:

On 22nd September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC), SSMC, conducted a sensitization programme at the Primary Health Centre (PHC), Doddasagere.

The programme began with awareness talks by Dr. Manjunath G. N. and Dr. Arun Hebbar JN., who explained the importance of Pharmacovigilance and Adverse Drug Reaction (ADR) reporting in improving patient safety and treatment outcomes. They highlighted how early detection and timely reporting of ADRs can prevent serious complications and enhance rational use of medicines.

This was followed by a skit performed by the 2nd Year B.Sc. Nursing students, which creatively demonstrated real-life examples of ADRs and the correct way to report them. The skit served as an interactive tool to simplify complex concepts for the audience.

Subject: Request for Permission to Conduct Skit and Sensitization Programme

Respected Sir,

As part of the 5th National Pharmacovigilance Week, the Adverse Drug Reaction Monitoring Centre and the Department of Pharmacology propose to conduct a sensitization programme for patients and the general public at Primary Health Centre, Doddasaggere.

The programme will include an interactive skit and awareness activities focused on Adverse Drug Reaction (ADR) recognition and reporting, with the aim of educating the community and promoting the culture of patient safety.

In this regard, we kindly request your permission and support to organize the above programme at your esteemed centre. We believe this initiative will benefit both patients and the local community by enhancing awareness on the safe use of medicines.

We look forward to your approval and guidance to proceed further.

Thanking you,
With Warm Regards,

Report:

On 22nd September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC), Sri Siddhartha Medical College, Tumkur, organized a sensitization programme for the nursing staff of SSMC, with 36 participants actively attending the session.

The programme commenced with an address by Dr. Nandini T., Professor and Head, Department of Pharmacology, who delivered an insightful talk on the importance of pharmacovigilance and the pivotal role of nursing staff in Adverse Drug Reaction (ADR) monitoring and reporting. This was followed by a presentation by Dr. Pavan Kumar Reddy, who emphasized the significance of ADR reporting in ensuring patient safety.

To encourage active participation, an interactive quiz competition was conducted, and the winners were felicitated with gifts, adding enthusiasm and engagement to the programme.

The event was also graced by the presence of Dr. Sandeep, Dr. Priyanka Patil, and Chief Pharmacist Mr. Ashwath Subba Rao, whose support contributed to the success of the session.

Report:

On 23rd September 2025, the Department of Pharmacology and Adverse Drug Reaction Monitoring Centre (AMC) at Sri Siddhartha Medical College (SSMC) held the Valedictory Ceremony of the 5th National Pharmacovigilance Week 2025. The event started with Dr. Sree Shankary introducing National Pharmacovigilance Week, followed by Ms. Megha welcoming the Guests of Honour.

The dignitaries present included Dr. Mallikarjuna B. Sanikop (Principal, SSMC), Dr. Prabhakara G.N. (Vice Principal, SSMC), Dr. Venkatesh N.S. and Dr. Rajeshwari Devi (Medical Superintendents, SSMC), Dr. Kiran Kumar (Chief Administrative Officer, SSMC), Dr. Nandini T. (Professor & Head, Department of Pharmacology), Dr. Manjunath G.N. and Dr. Naveen Kumar (Professors of Pharmacology), and Dr. Arun Hebbar J.N. (Assistant Professor & Coordinator, AMC-SSMC).

The ceremony began with the Lighting of the Lamp by the dignitaries, symbolizing knowledge and awareness. Dr. Arun Hebbar J.N. then presented a video highlighting the programmes conducted during the week, followed by the release of the 2025 Newsletter, Volume 4, by the Guests of Honour.

Dr. Mallikarjuna B. Sanikop appreciated the activities held during the week and praised the AMC team for their efforts in promoting Pharmacovigilance. Dr. Prabhakara G.N. and Dr. Kiran Kumar also spoke about the importance of encouraging ADR reporting. The dignitaries then gave prizes to the competition winners and felicitated the distinction holders in Pharmacology from the 2025 batch. The programme ended with a Vote of Thanks by Ms. Chandana, thanking everyone involved in making the event successful.

Spreading Awareness Beyond Campus
Throughout the week, our students will actively engage with society by conducting Awareness Programmes on Adverse Drug Reactions (ADR) in various high schools and community settings, fostering a culture of safe medicine use at the grassroots level.

Register for the awareness program: <https://forms.gle/QyqH4saKUCz7TVg9>

Sri Siddhartha Academy of Higher Education

(Deemed to be university declared under Section 3 of the UGC Act, 1956)

Accredited A⁺ Grade by NAAC
