Report:

A workshop was organised by the General Surgery department on 10/09/2025 in association with AMASI with hands-on training on endotainers. The event began at 9:30 am, inaugurated by Dr. Prabhakara G N and Dr. Byakodi K G with invocation. Workshop participants were divided into groups and they attended 7 training stations for 20 minutes each. Each module was elaborated on by expert Laparoscopic Surgeons who shed light on the challenges and benefits of minimal access surgery.

After having attended all 7 stations, the participants practised various skills on the endotainers with guidance from experts. The workshop was accompanied by lunch and hands-on training continued till 4:30 pm. A vote of thanks was delivered and the event was concluded with advice and tips on improving laparoscopic skills.
