Report:

As part of the Swasth Nari Shashakt Parivaar Abhiyan, a program was organized on 23rd & 25th September 2025 at an old age home in Tumkur to observe World Dementia Day. The initiative focused on the mental health assessment of elderly residents with emphasis on dementia screening and was conducted under the guidance of a Psychiatrist from the Department of Psychiatry, SSMC. Activities included one-on-one interviews for assessment and awareness sessions, where posters were explained by participants to promote understanding of dementia and elderly mental health. The visit was well-received and helped create awareness while encouraging supportive interaction with the residents.

Subject: Request for Permission to Conduct Mental Well-being Assessment under "Swasth Nari, Sashakt Parivar Abhiyaan" & Dementia Screening of the elderly to mark "World Dementia Day".

Respected Sir/Madam,

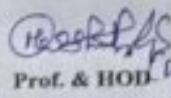

Mental well-being in the elderly is vital for preserving cognitive function, emotional stability, and overall quality of life. Promoting mental well-being in them strengthens social connections and brings in a sense of purpose, which is essential for healthy ageing.

Dementia is a progressive condition affecting memory, thinking, and behaviour, and it is one of the most common health challenges faced by the elderly. Early screening is essential as it helps in timely intervention, improves quality of life, and creates awareness among caregivers about the importance of early recognition and management.

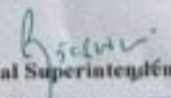

In this regard, we are organizing an old age home visit under "Swasth Nari, Sashakt Parivar Abhiyan" for mental well-being assessment of the elderly & dementia screening to mark "World Dementia Day" observed on 21st September 2025 with the theme being "Ask about Dementia, Ask about Alzheimer's". As part of the program, visits to old age homes is scheduled on 23rd September 2025, during which students will present educational posters on dementia. The event will also include a session with a doctor, providing a unique opportunity for the students to ask questions, clear doubts, and engage in meaningful interaction.

We request your kind permission to conduct this program in your esteemed institution. This initiative will be highly beneficial to the elderly residents by increasing awareness, reducing stigma, and equipping them and their caregivers with knowledge about dementia and its management.

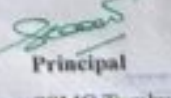

Thanking you,

Prof. & HOD

Report:

A poster presentation competition was held by the Dept. of Psychiatry on 27th September 2025 to commemorate World Dementia Day. Posters made by Interns, UG students & nursing students were collected and put on display for our esteemed judges, Dr. Rajeshwari Devi ma'am – Medical Superintendent and Dr. Suma ma'am – Professor, Dept. of General Medicine. The event was also graced by dignitaries including Dr. Sanikop sir - Principal, Dr. Prabhakar sir - Vice Principal and Dr. Kiran sir – CAO. All the students took great efforts in making and explaining all the different aspects of Dementia.

Their enthusiasm was met with equal admiration of the judges. The event was received with warmth and appreciation from everyone and it became an informative instance for all the patients as well. Based on the scores, top 3 teams were decided and prizes were distributed by the dignitaries to them. All the other participants received participation certificates. Refreshments were arranged for all and enjoyed by all.

  **Poster Exhibition for World Dementia Day**  

Date: 27th September 2025 | Venue: OPD Block

The **Department of Psychiatry** warmly invites you to join us for a **Poster Exhibition on World Dementia Day**.
This event aims to promote awareness, understanding, and compassion for those living with dementia.

 **Date:** Saturday, 27th September 2025
 **Location:** OPD Block
 **Time:** Starting at 10:00 AM
 **Prize Distribution :** After the exhibition, at the Department of Psychiatry

Theme: "Ask about Dementia, Ask about Alzheimer's"
The exhibition will feature posters created by Medical and Allied Health Science students and interns, showcasing various perspectives on the challenges and significance of dementia care. Our goal is to educate, inspire, and foster meaningful discussions about mental health and aging.

 **Acknowledgment of Best Posters**
 **High Tea & Networking Opportunity**

We eagerly anticipate your participation and support in making this event truly impactful.

Warm regards,

Department of Psychiatry
