World Glaucoma Week-2026

Date: March 26, 2026.

Location: Nagarjuna Hall, Sri Siddhartha Medical College and Hospital, Tumkur.

Theme: Glaucoma Awareness Program.

Organizer: Department Of Ophthalmology, SSMC, Tumkur.

Target Audience: Healthcare professionals, undergraduates students and postgraduates students of SSMCH.

Objectives:

- Increase awareness about glaucoma and its impact on public health.
- Provide updates on the latest research and developments in glaucoma diagnosis, prevention, and treatment.
- Enhance the knowledge and skills of healthcare professionals in managing glaucoma patients effectively.
- Promote collaboration and communication among healthcare professionals to improve glaucoma care
- Dignitaries invited are Dr.M.B.Sanikop,Dr.M.Kiran Kumar ,Dr.Prabhakara.G. N ,Dr.Rajeshwari Devi Dr.Sharath kumar S Shah and Dr.Jyothi Swaroop.

Program Overview: The program featured presentations from Department of Ophthalmology, covering various topics such as:

- Welcoming the dignitaries and introduction of program by Dr. Preethi Prabakar and Dr Anvaya.

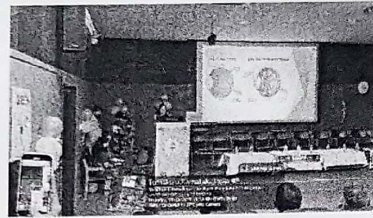

- Invocation song by Dr Aswini and Dr Meghana

- Welcome Address and Overview of Glaucoma Awareness Month by Dr Karnika and Dr Ramya

- Overall review on topic glaucoma by Dr.Meghana and Dr Kundhan.

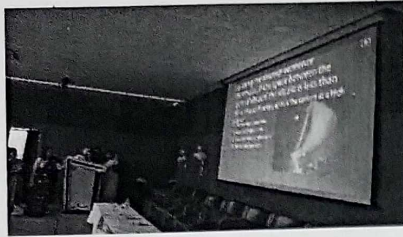

- Ideas and experiences were shared about glaucoma by the dignitaries who attended the program.

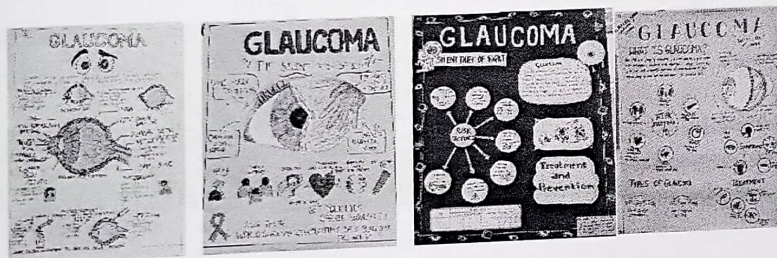

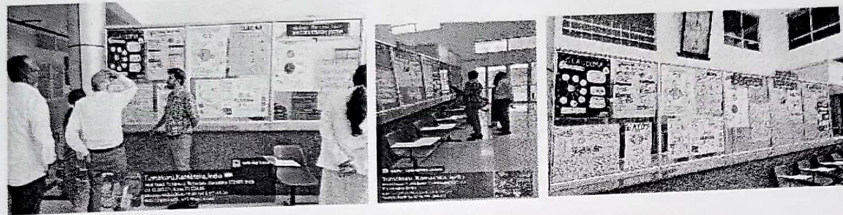

- Skit about glaucoma awareness were performed by the UG students.

- Quiz session was conducted by The Department of Ophthalmology for the Undergraduate students and prize winners were awarded by the faculty.

- Poster competition on glaucoma awareness was conducted. This was judged by Dr. Jyothi Swaroop Sir and Dr Bharath Sir prizes were given to winners by the dignitaries.

- Vote of thanks was given by Dr. Risheka

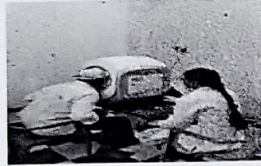

Outcomes: The program was successful in achieving its objectives. Participants reported increased knowledge and awareness about glaucoma and its management, expressed confidence in applying the information learned to their clinical practice, and highlighted the value of networking and collaboration with other healthcare professionals.

Number of Participants: 200

Recommendations: Based on the feedback received, the following recommendations are made for future programs on glaucoma:

- Develop targeted sessions for different healthcare professionals, catering to their specific needs and practice settings.
- Incorporate more interactive elements such as role-playing scenarios and group discussions to enhance engagement and learning.
- Continue to update the program content with the latest research findings and developments in glaucoma care.

Conclusion: The program conducted during World Glaucoma week 2026, was a valuable learning opportunity for healthcare professionals involved in the care of glaucoma patients. By promoting knowledge sharing, collaboration, and evidence-based practice, the program contributed to improving the quality of care for glaucoma patients worldwide.
