Report:

World Prematurity Day 2025

Department of PAEDIATRICS, SSMC Tumkur

Date: 25th November 2025, Tuesday

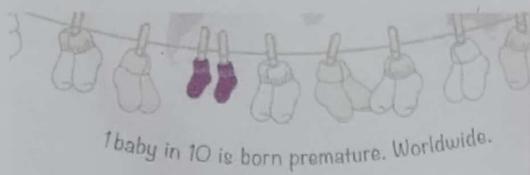

Venue: Dermatology seminar room

Introduction

The Departments of Paediatrics and Obstetrics & Gynaecology, Sri Siddhartha Medical College, jointly observed **World Prematurity Day 2025** on **25th November 2025** at the Dermatology Seminar Hall. The programme, themed "**Giving Every Baby a Strong Start for a Hopeful Future,**" aimed to raise awareness about prematurity, its challenges, and the importance of early intervention to improve neonatal outcomes.

The interdepartmental meet included expert sessions on prediction and prevention of preterm labour, neuroprotection strategies, and the global theme for World Prematurity Day. Faculty members, postgraduate students, and interns actively participated, highlighting the collaborative efforts needed to support preterm infants and their families.

1 baby in 10 is born premature. Worldwide.
