Board of Studies held on 23/ 01/26 Morning 10:00am to 12:00pm was attended by

Members present :

1. Dr. M B Sanikop – Principal & Dean, SSMC, Tumkur
2. Dr. Vecna Krishnamurthy – Chairman Professor of Microbiology & Coordinator AHS, SSMC
3. Dr. S. B. Gangadhar – Professor & HOD of Anaesthesiology, SSMC
4. Dr. Jayashree S Shah – Professor & HOD of Ophthalmology, SSMC
5. Dr. Anand – Professor & HOD of Radiodiagnosis, SSMC
6. Dr. Kavyashree A N – Professor & HOD of Anatomy, SSMC
7. Dr. Nandini T – Professor & HOD of Pharmacology, SSMC
8. Dr. Sudeep Kumar M – Professor of Microbiology, SSMC
9. Dr. Chaitra H – Professor of Pathology, SSMC
10. Dr. Savitha Rani B B – Professor & HOD of Community Medicine, SSMC
11. Dr. Vinod Kumar – Assistant Professor of Biochemistry, SSMC
12. Dr. Mastan – Cardiac Frontida, SSMC
13. Dr. Raghavendra – Associate Professor of Nephrology, SSMC
14. Dr. Suresh Babu S. V – Research Coordinator, SSMC
15. Dr. Rajesh Shenoy – Director, Padmashree Groups of Institution, Nagarbhavi, Bangalore (External Member)
16. Dr. Venkateshappa C – Professor of Biochemistry, Sri Sathya Sai Institution of Medical Sciences (External Member)

Members Absent

1. Dr. Arifuddin Professor & HOD of Physiology, SSMC

Minutes of Meeting

The meeting was welcomed by Dr Veena Krishnamurthy, Chairman of BOS studies.

Dr. Mallikarjun B Sanikop, Dean SSMC delivered the welcome address

Following were the points discussed:

National Council of Allied Health Professionals (NCAHP) covers 57 Allied Health Care Professions categorised under 10 broad recognised categories. NCAHP initiated the process of revising the curriculum with an aim to equip professionals undertaking Bachelor's and Master's courses with necessary skills and knowledge aligned with global standards. Competency Based Education has to be implemented and change lecture centric education to skill-based education from the academic year 2026-27.

Among the details of curriculum published by NCAHP, 5 courses have been discussed which are currently running in SSAHE and the remaining 3 will be discussed as and when the curriculum will be released.

1. Change in nomenclature

Nomenclature of the some of the courses have been changed as

- i) B.Sc in Medical Laboratory Technology to Bachelor of Medical Laboratory Science (B.MLS)
- ii) B.Sc in Medical Imaging Technology to Bachelor of Medical Radiology & Imaging Technology (B.MRIT)
- iii) B.Sc in Renal Dialysis Technology to Bachelor of Dialysis Technology (B.DTT).
- vi) B.Sc in Operation Theatre & Anaesthesia Technology to Bachelor of Anaesthesia & Operation Theatre Technology (B.AOTT)

SRI SIDDHARTHA ACADEMY OF HIGHER EDUCATION
(DEEMED TO BE UNIVERSITY Declared under section 3 of the UGC act, 1956)

e-mail: info@ssmctumkur.org website: <https://ssahe.edu.in/ssmc/>

2. Eligibility Criteria:

The candidate must have a minimum of 50 % marks in PCMB or PCB, NEET is not compulsory for the above-mentioned courses. Lateral entry after completion of Diploma to 2nd year, 3 semesters should have 50% marks in the respective course. Admission will be on the bases of merit. Students with Diploma are eligible to lateral entry in respective courses only in those mentioned by NCAHP such as Diploma in Anaesthesia and operation technology, Diploma in Dialysis technology (nomenclature changed).

All the programs should be delivered in full time.

3. Change of curriculum from yearly scheme to semester scheme

The yearly scheme i.e., 3 years + 1 year internship has been changed to 8 semesters and 1 year internship program and choice-based credit system (CBCS).

4. Change of Scheme of Examination from Yearly Scheme to Semester system.

The scheme of examination will be in semester system. Marks has to be calculated as Grade Point average (GPA). which gives weightage to both formative assessment which includes Class room participation/ presentation / seminars, case discussion and sessional exams internal assessment carries 30 marks and Summative assessment also called as End semester University Examination is conducted for 70 marks

University Practical examination has to be conducted for 1st year students for some of the subjects like Anatomy, Physiology, Microbiology, Pathology, Biochemistry throughout different courses. Practical exams shall have more emphasis on case discussion, OSPE and OSCE is for 70 marks with internal assessment 30 marks.

SRI SIDDHARTHA ACADEMY OF HIGHER EDUCATION

5. Discussion of curriculum released by NCAHP to be followed from academic year 2026-27.

NCPAH has released curriculum for 10 courses. Among the 8 courses in our university for 5 courses curriculum has been released. Curriculum for all the 5 courses was discussed in detail regarding credit hours for Theory & Practical

Lecture/ Tutorial	: 1 Credit : 15 hrs
Practical	: 1 credit : 30 hrs
Clinical / Lab posting	: 1 credit : 45 hrs

5a. Exam Pattern: The pattern of Theory Examination is not discussed for all the courses

Long Essay	2 out of 3	10 marks
Short Essays	7 out of 9	5 marks
Short Answers	5 out of 7	3 marks

- To appear for University Examination held at the end of each semester student must have.
- 75% attendance in Theory & Practical separately for all semesters.
- Secure 50% of marks fixed for CIE for each semester.
- Three categories:
- Practical including (spotters, certifiable skills, case discussion, demonstration). = 50 marks
Viva = 20 marks (10 internal examiner, 10 external examiner).
Internal Assessment: 30 marks

6. Change of Marking system to CGPA and SGPA

- 1st semester GPA = Total grade points/total credits
 $159/20 = 7.95$
- 2nd semester, GPA = 8.35 credits = 20
- 1st year CGPA = $\frac{(7.95 \times 20) + (8.35 \times 20)}{20 + 20} = 8.15$

7. Passing Criteria:

- A candidate who fails in 2 subjects in the 1 semester is allowed to go to the 2nd semester.
- A candidate with backlog of not more than 2 subjects in II semester is allowed to go 3rd semester till he /she clears all I semester exams.
- The candidate with backlog not more 2 subjects than in III semester is allowed to go to the IV semester till he/she clears all the III-year subjects.

8. Coding system in University Exams must be followed as given by NCAHP to maintain uniformity.

9. The Curriculum encourages the students to undertake research activities and paper publication through short project writing exercise.

10. It was also discussed by the members to include Diploma course under the umbrella of UG Board of studies for the programs enlisted by NCAP such as

- a) Diploma in Anaesthesia and Operation Technology (D.AOTT)
- b) Diploma in Dialysis technology (D.DT).

11. For courses run under the SSAHE University for which the curriculum has not been released by NCAHP. We shall continue in the yearly scheme and follow the Scheme as and when the curriculum will be released by NCAHP.

12. For B.Sc in CSSD. We shall post the syllabus to KSAHC and NCAHP & details of student intake for information.

The meeting was concluded by suggestions from Prof Rajesh Shenoy (External member) and Dr. Ventateshapp.C (External member).
