**Following are the research publications done by faculties of**  
**Department of Community Medicine till August 2024**

**Dr Cheluve Gowda GK**

1. Cheluve Gowda GK, Savitha Rani BB, Krishna Iyengar, Venkatesh P, Vinay KS  
Assessment of Adherence to Anti-hypertensive Treatment among Patients Attending  
a Urban Health Care Facility of a Medical College, Tumkur. Int J Med. Public Health.  
2019; 9(2):42-45
2. Cheluve Gowda G.K., Savitha Rani B.B., Krishna Iyengar, Venkatesh P. Home  
Remedies and Health Care Seeking Behavior among Care Takers of Under-5  
Children in Rural Field Practice area of a Medical College: Focus Group Discussion.  
Indian Journal of Public Health Research & Development, February 2020;  
11(2):500-504
3. Savitha Rani B.B., Cheluvegowda, Vinay K.S., Monisha, Nikhil Dev, Krishna Iyengar.  
Assessment of Health Status and QOL of the Women Working in Garment Factory in  
Tumkur: A Cross-sectional Study. Indian Journal of Public Health Research &  
Development, May 2020; 11(5):469-73
4. Sanath Kumar, Sharath, Tanu Anand, Karuna D Sagili, CheluveGowda. Threefold  
increase in the number of drug resistant TB cases after introduction of Universal  
Drug Susceptibility Testing: Experiences from two South India Districts, JTR: 8(2): 9-  
11
5. Assessment of provider related riskfactors pertaining to default and non default  
among tuberculosis patients. European journal of cardiovascular medicine [Internet].  
2024 April [cited 2024 April]14:2:403-9.
