Report:

World Environment Day was celebrated with great enthusiasm on 5 June 2026 at our institution. The programme aimed to create awareness about environmental protection and encourage sustainable practices among students and staff. The celebration began with a welcome address by the Principal, who highlighted the importance of conserving natural resources and protecting the environment for future generations. Various activities such as a tree-planting drive.

As part of the celebration, saplings were planted within the campus to contribute to a greener environment.

The programme concluded with a pledge to protect the environment and work collectively towards a cleaner, greener, and more sustainable future. The celebration successfully inspired everyone to take responsibility for environmental conservation and reinforced the message that every small action can make a significant difference.
